Such additional property must be contiguous (which terms includes on the opposite side of a street right of way) to some portion of the Property already subject to this Declaration

Each Supplemental Declaration shall be effective upon recordation in the Johnston County, North Carolina Registry, and shall incorporate the provisions of this Declaration either by reference hereto or by fully setting out the provisions hereof. Such Supplemental Declaration need not be in any specific form (for example, it may be contained in a deed from Declarant conveying the real property being subjected to this Declaration), but shall clearly indicate the intention to subject additional property to this Declaration. A Supplemental Declaration may contain such other terms and conditions, not inconsistent herewith, as the parties subjecting the additional property to this

Section 1. Owners' Easements or Enjoyment. Every Owner shall have a right and easement of enjoyment in and to and right of ingress and egress over the Common Areas, which rights shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) the right of the Association to permit the charge of reasonable fees for the enjoyment of any portion of the Common Areas;
- (b) the right of the Association to suspend the voting rights during which any assessment against his Lot remains unpaid;
- (c) the right of the Association to formulate, publish, impose and enforce rules and regulations for the enjoyment of the Common Areas.

Section 2. Delegation of Use. Subject to Section 1 above, any Owner may delegate, in accordance with the Bylaws, his rights of enjoyment in and to the Common Areas, to the members of his family, his lawful tenants, or contract purchasers who reside on such Owner's Lot, and to his guests, invitees and licensees.

Section 3. General Easements and Associated Undertakings. All of the Property, including Lots and Common Areas, shall be subject to such easements for private roads or drives, public streets, water lines, sanitary sewers, storm drainage facilities, gas lines, cable communication transmission, telephone and electric power lines and other public utilities, whether above or below ground, as shall be established by the Declarant, by its predecessor in title prior to the subjecting of the Property to this Declaration, or as shown on any recorded subdivision map of any portion of the Property. The Association shall have the power and authority to grant and establish upon, over, under and across the Common Areas conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Property. Sight easements, if any, as may be shown upon any recorded subdivision map of the Property are hereby reserved by the Declarant.

An easement is hereby established for the benefit of any agency or utility performing any of the following services over all Common Areas and over an area of all Lots within the Property five (5) feet from the right-of-way line of any street or roadway established within the Property hereby or hereafter established for the setting, removal and reading of water and electricity meters, the maintenance and replacement of water, electricity, sewer and drainage facilities. In addition thereto, an easement is hereby established over all of the Property for the benefit of the County of Johnston and all other

agencies and personnel performing any of the following duties and services for the fighting of fires, mail delivery, collection of garbage ambulance services and police protection.

Section 4. Title to the Common Areas. The Declarant hereby covenants for itself, its heirs and assigns that it will convey fee simple title or, as applicable, easement rights for the Common Areas to the Association, free and clear of all encumbrances and liens, except public streets, private roads or drives, utility easements and any use restrictions of record, including this Declaration, upon completion by Declarant of any initial improvements thereto, including landscaping.

Section 5. Entry Features. At all times during the term of this Declaration, the Association shall maintain and/or improve any Entry Features created within the Property in a manner at least comparable to the initial creation and construction thereof.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot which is subject to assessment.

Section 2. The Association shall have the following two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any such Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote or a fractional vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant and shall be entitled to six (6) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) eighty-five percent (85%) of the Lots have been sold by Declarant; or
- (b) on January 1, 2016.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges which are Common Expenses and (2) special assessments for extraordinary maintenance and capital improvements or for purchase, construction or reconstruction of improvements, such assessments to be established and collected as hereinafter provided. Such assessments, together with interest, late charges, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against

which each such assessment is made. Each such assessment, together with interest, late charges, costs and reasonable attorneys' fees, shall also be the personal obligation of the person(s) who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the welfare of the residents in the Property for the improvement and maintenance of the Common Areas, including Entry Features, for the establishment of adequate reserves for the replacement of capital improvements, if any, located within the Common Areas, payment of insurance premiums for contracts of hazard and liability insurance on the Common Areas, and payment of local ad valorem taxes or governmental charges, if any, on the Common Areas.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Four Hundred Fifty and No/100 Dollars (\$450.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be increased for the cost of living by a minimum of one percent (1%) and not more than ten percent (10%) over the prior year's assessment by the Board of Directors of the Association without a vote by the Members.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased ten percent (10%) above the prior year's assessment by a vote of two-thirds (2/3) of the appropriate and affected class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) Owners who purchase Lots for the purpose of constructing dwellings shall not be assessed unless and until the dwellings are occupied by residents.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, any extraordinary maintenance, including vegetation, fixtures and personal property related thereto and any property for which the Association is responsible, provided, however, any such assessment shall have the assent of two-thirds (2/3) of the votes of each appropriate and affected class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Provided, however, the Board of Directors, at its option may declare that a special assessment be levied against all Lots, unless ninety percent (90%) of the total vote of each class of members vote to reject it (a "Board Issued Assessment"). This Board Issued Assessment shall be in an amount not to exceed Two Hundred and Fifty Dollars (\$250.00) per Lot

and may be used to defray the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Area.

Section 5. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each appropriate and affected class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments for capital improvements must be fixed at a uniform rate for all Lots owned by each class of Member and annual assessments may be collected on an annual, monthly or quarterly basis; provided, however, annual and special assessments for capital improvements, for all Lots owned by Declarant and not occupied as a residence shall be twenty-five percent (25%) of such assessments for other Lots. Further, Lots purchased by Owners for the purpose of constructing dwellings shall not be assessed unless and until the dwellings are occupied by residents.

Section 7. Specific Special Assessments. A uniform rate shall not apply to specific special assessments. The Association shall have the power, right and authority to issue a special assessment against any Lot and its Owner if such Owner shall fail to reimburse the Association or the Declarant, as the case may be, pursuant to the provisions of Article XI, Section 8 of this Declaration.

Section 8. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence and shall be due and payable as to all Lots at the time of recording of a deed from the Declarant to the initial property Owner. Provided, however, that Lots purchased by Owners for the purpose of constructing dwellings shall not be assessed unless and until the dwellings are occupied by residents. Such amount due and payable on the first day of each such calendar year shall be as set forth and established pursuant to Section 3 of this Article. The first annual assessment applicable to a Lot shall be adjusted according to the number of months remaining in the calendar year. There shall be paid at the time of the initial sale of each Lot by the Owner acquiring such Lot an amount equivalent to at least two (2) months' assessments in order to provide a working capital fund for the initial months of the Association's operations. For the purpose of establishing such working capital fund, a sale by Declarant to a purchaser who intends solely to acquire such Lot in order to construct a residential dwelling structure thereon for resale purposes shall not be considered the initial sale; provided, however, the sale at which time a Lot shall become a Lot in Use shall be considered the initial sale for such purpose. Amounts paid into such fund shall be in addition to and shall not be considered as advance payment of any

portion of the annual assessment. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be as previously set forth herein, unless otherwise established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall be subject to a late charge of the greater of Twenty Dollars (\$20.00) per month or ten percent (10.0%) of any unpaid assessment installment. The Association may bring an action at law against the Owner personally obligated to pay the same for such delinquent assessment, interest, late charges, costs and reasonable attorneys' fees of any such action, or foreclose the lien against the Lot. For purposes of this Section 9, the amount of delinquent assessment, plus accrued interest and late charges shall be considered evidenced by this Section 9 and, therefore, evidence of indebtedness shall exist hereby. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VI
INSURANCE

Section 1. Ownership of Policies. Contracts of insurance upon the Common Areas shall be purchased by the Association for the benefit of the Association. The Association may reevaluate its coverage from time to time and may provide, subject to Section 2 of this Article, for such insurance coverage as it deems appropriate.

Section 2. Coverage. All improvements and personal property included in the Common Areas shall be insured in an amount equal to at least eighty percent (80%) of their insurable replacement value as determined annually by the Association with the assistance of the insurance company underwriting the coverage. Such coverage shall

provide protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks as from time to time shall be customarily covered with respect thereto.

Section 3. Fidelity Insurance or Bond. All persons responsible for or authorized to expend funds or otherwise deal in the assets of the Association shall first be bonded by a fidelity insurer to indemnify the Association for any loss or default in the performance of their duties in an amount equal to at least one-half (1/2) the annual assessment plus reserves accumulated.

Section 4. Premiums. Premiums for contracts of insurance purchased by the Association shall be paid by the Association and charged ratably to the Owners as an assessment.

Section 5. Proceeds. All contracts of insurance purchased by the Association shall be for the benefit of the Association and its mortgagees, if any, as their interests may appear, and the Owners, and shall provide that all proceeds thereof shall be payable to the Association as insurance trustee under this Declaration. The sole duty of the Association as insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein.

Section 6. Distribution of Insurance Proceeds. Proceeds of contracts of insurance received by the Association as insurance trustee shall be distributed to or for the benefit of the beneficiary or beneficiaries thereof in the following manner:

- (a) The proceeds shall be paid first to defray the cost of reconstruction and repair of casualty or liability so covered.
- (b) Any expense of the insurance trustee may be paid from proceeds after payment of reconstruction or repair expenses or liability. Any proceeds remaining thereafter shall be distributed to the beneficiary or beneficiaries of the trust.

ARTICLE VII ARCHITECTURAL AND APPEARANCE CONTROL

Section 1. General. Anything contained in this Declaration which may be construed to the contrary notwithstanding, no tree removal, site preparation on any Lot or change in grade or slope of any Lot or erection of buildings or exterior additions or alterations to any building situated upon the Property or erection of or changes or additions in fences, hedges, walls and other structures, or construction of any swimming pools or other Improvements, shall be commenced, erected or maintained on any Lot until the architectural control committee appointed as hereinafter provided (the "Architectural Control Committee"), has approved the plans and specifications therefor and the location of such Improvements. The Architectural Control Committee shall also have the power to require the construction or installation of certain exterior structures and fixtures and require the use of certain materials and finishes in such structures and fixtures. This requirement shall specifically include, but is not limited to, the construction of a headwall, the installation of an irrigation system, and the use of sod in a landscaping design plan.

Section 2. Composition. During the Declarant Development Period, Declarant shall annually appoint the members of the Architectural Control Committee, which will be composed of three (3) individuals, each generally familiar with residential and community development design matters and knowledgeable about the Declarant's concern for a high level of taste and design standards within BRIGHTON RIDGE. In the event of the death or resignation of any member of the Architectural Control Committee, Declarant, for so long as it has the authority to appoint the members of the Architectural Control Committee, and thereafter, the remaining members of the Architectural Control Committee, shall have full authority to designate and appoint a successor. No member of the Architectural Control Committee shall be liable for claims, causes of action or damages (except where occasioned by gross negligence or willful misconduct of such member) arising out of services performed pursuant to this Declaration. Upon final termination of Declarant's membership in the Association, the Board of Directors of the Association shall appoint the members of the Architectural Control Committee on an annual basis. At any time Declarant may elect not to appoint the members of the Architectural Control Committee and may assign this right to the Board of Directors of the Association.

Section 3. Procedure. No Improvement of any kind or nature shall be erected, remodeled or placed on any Lot until all plans and specifications therefor and a site plan therefor have been submitted to and approved in writing by the Architectural Control Committee, as to:

- (i) quality of workmanship and materials, adequacy of site dimensions, adequacy of structural design, and facing of main elevation with respect to nearby streets.
- (ii) conformity and harmony of the external design, color, type and appearance of exterior surfaces;
- (iii) location with respect to topography and finished grade elevation and effect of location and use on neighboring Lots and improvements situated thereon and drainage arrangement; and
- (iv) the other standards set forth within this Declaration (and any amendments hereto) or as may be set forth within bulletins promulgated by the Architectural Control Committee, or matters in which the Architectural Control Committee has been vested with the authority to render a final interpretation and decision.

Any modification or change to the Architectural Control Committee approved set of plans and specifications must again be submitted to the Architectural Control Committee for its inspection and approval. The Architectural Control Committee's approval or disapproval, as required herein, shall be in writing.

The Architectural Control Committee may, but shall not be so required, from time to time publish and promulgate architectural standards bulletins which shall be fair, reasonable and uniformly applied in regard to the Lots and shall carry forward the spirit and intention of these covenants, conditions and restrictions. Although the Architectural

Control Committee shall not have unbridled discretion with respect to taste, design and any standards specified herein, the Architectural Control Committee shall be responsive to technological advances or general changes in architectural designs and materials and related conditions in future years and use its best efforts to balance the equities between matters of taste and design (on the one hand) and use of private property (on the other hand). Such bulletins, if any, shall supplement these covenants, conditions and restrictions and are incorporated herein by reference.

Section 4. Jurisdiction. The Architectural Control Committee is authorized and empowered to consider and review any and all aspects of the construction of any Improvements on a Lot which may, in the reasonable opinion of the Architectural Control Committee, adversely affect the living enjoyment of one or more Owners or the general value of the Property.

Section 5. Enforcement. The Architectural Control Committee and/or the Association shall have the specific, nonexclusive right (but not obligation) to enforce the provisions contained in this Article and/or to prevent any violation of the provisions contained in this Article by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions contained in this Article.

Section 6. Definition of "Improvement". The term "Improvement" shall mean and include all buildings, storage sheds or areas, roofed structures, parking areas, loading areas, trackage, fences, walls, hedges, mass plantings, poles, driveways, ponds, lakes, changes in grade or slope, site preparation, swimming pools, tennis courts, signs, exterior illumination, changes in any exterior color or shape and any new exterior construction or exterior improvement exceeding \$1,000.00 in cost which may not be included in any of the foregoing. The definition of Improvement does not include shrub or tree replacements or any other replacement or repair of any magnitude which ordinarily would be expensed in accounting practice and which does not change exterior colors or exterior appearances. The definition of Improvements does include both original Improvements and all later changes to Improvements.

Section 7. Failure of the Architectural Control Committee to Act. If the Architectural Control Committee fails to approve or disapprove any plans and specifications and other submittals which conform (and which relate to Improvements which will conform) with the requirements hereof or to reject them as being inadequate or unacceptable within thirty (30) days after submittal thereof, it shall be conclusively presumed that the Architectural Control Committee has approved such conforming plans and specifications and other submittals. If plans and specifications or other submittals are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

Section 8. Limitation of Liability. Neither the Architectural Control Committee nor the members thereof nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence, except for gross negligence, or nonfeasance

arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications.

Section 9. Miscellaneous. No member of the Architectural Control Committee shall be entitled to compensation for services performed pursuant to this Article. The Association shall reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses.

ARTICLE VIII USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, amend, publish and enforce reasonable rules and regulations concerning the use and enjoyment of each Lot and the Common Areas.

Section 2. Use of Property. No portion of the Property shall be used except for residential purposes incidental or accessory thereto. Each Lot shall be occupied and/or used as follows:

1. Each Lot, but not to include Common Areas, will be used for residential purposes only, and each Lot shall constitute a building site. No dwelling shall be erected, altered, placed or permitted to remain on any building site other than one detached, single-family dwelling not to exceed two and one half stories in height and an attached garage for not less than two cars. More than one Lot may be used as one building site if approved in writing by Owner, or such other person designated by Owner.

2. Each dwelling shall have a heated, enclosed ground floor area as follows: if one story, at least 2200 square feet; if one and one-half stories, at least 2400 square feet; and if two or more stories, at least 2600 square feet. Heated, enclosed ground floor area shall not include unfinished basements, open porches, breeze-ways, screened porches, garages, walk-up attics, carports, steps, stoops. Notwithstanding these terms, a ten percent (10%) variance in the square feet of the enclosed floor area shall be allowed with written approval of the Architectural Control Committee.

3. Before a dwelling on a Lot is occupied by residents, each such Lot shall have at least one tree for every forty feet (40 ft) of Lot street frontage. Such tree must be a maple at least 2 and ½ inches in diameter and approved by the Architectural Control Committee. At any time thereafter, if such tree should become decayed or diseased or should it otherwise become necessary to remove the tree, the Owner must obtain prior written approval for such action from the Architectural Control Committee. Further, the Owner must replace the tree with a maple at least 2 and ½ inches in diameter at Owner's expense.

4. No dwelling or other approved structure shall be located on any Lot site nearer to any property line than allowed by County regulations. For the purpose of this covenant, eaves, steps and open porches shall not be considered as part of the building, PROVIDED, however, that this shall not be construed to permit any portion of a dwelling on a Lot site to encroach upon another Lot site.

5. Any vehicle which has advertising of any type, whether a display, a name or logo painting on the vehicle, an attached sign, or otherwise, must be parked in the garage, in the rear of the residence or behind a screen so that such vehicle cannot be seen from the

street. Absolutely no vehicles, boats or any other type of personal property shall be placed in the front or side yard of any residence with a "for sale" sign upon it, any other such sign, or information which might indicate that the property is for sale.

6. Any boats, motor homes, or campers must be kept inside garage, at the rear of the house, or kept behind a screening so that they are not visible from the street. No boats, motorhomes or camper units whatsoever may be kept in the front yard of the dwelling. Any camper, boat, motorhome, car truck or other vehicle must be used regularly and be in operational use. If not used regularly and kept in operational use, it shall not be kept in the subdivision. Any boat, motorhome, or camper kept outside on the Lot shall be enclosed in a screening so that it is not readily visible from Lots beside or behind the Lot upon which the unit is being kept.

7. No noxious or offensive trade or activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood. No signs or billboards shall be erected or maintained on the premises other than real estate signs. No trade materials or inventories may be stored on the premises. No business activity or trade of any kind shall be conducted on any Lot except that an office may be maintained in a residence if there is not client or customer traffic to the office.

8. No shelter of a temporary or permanent character such as a mobile home, trailer, basement, tent, shack, garage or barn shall be used on any Lot at any time as a residence, either temporarily or permanently. No trailer, modular or mobile home shall be placed on any building site covered by these covenants.

9. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the front and rear ten feet of each Lot and five feet on each side line unless these are in excess of such distances on recorded plats, in which case the plats shall control. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities and drainage facilities, or which may change the direction or flow of drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible. In the event that any Owner of two or more adjacent Lots shall prepare plans for the construction of a house on the line separating two or more such Lots, then the easement along this Lot line shall become void.

10. No animals, livestock or poultry of any kind shall be raised, bred or kept on building site, except that dogs, cats or other household pets may be kept, provided that they are not bred or maintained for any commercial purposes. Owners with dogs, cats or other household pets will be responsible for their animals and will insure that they are not a nuisance to other Lot owners.

11. No Lot or portion thereof shall be dedicated or used for a public street unless approved by Owner.

12. Adequate off street parking shall be provided by the Owner of each Lot for the parking of automobiles owned by such Owner, and Owners of Lots shall not be

permitted to park their automobiles, boats, campers, travel trailers or any other vehicles on the streets in the subdivision.

13. All telephone, electric and other utility lines and connections between the main utility lines and residence and other buildings located on each Lot shall be concealed and located underground so as not be visible.

14. Declarant reserves the right to subject each Lot to a contract with the local utility company for street lighting.

15. Roads constructed in all phases of this subdivision shall be maintained by the Declarant until the State of North Carolina takes over the streets for maintenance.

16. The exterior walls of each dwelling, its garage and any outbuilding approved by the Architectural Control Committee as set forth herein shall be made of stone, brick, wood or Hardiplank or equivalent cement-based siding.

During construction on any Lot, there shall be a gravel area of at least 40 feet in length leading from the street onto said Lot, this gravel area being the entrance to the Lot, in order to prevent mud and other debris from being tracked into the street. In the event an Owner does not properly maintain his Lot as set forth in this paragraph, the Architectural Control Committee has the right to do whatever work is required to give the Lot a pleasing appearance with any such cost incurred in doing this being the liability of the owner of the Lot.

ARTICLE IX STORM WATER MANAGEMENT

This includes the maintenance of all storm water and detention ponds or natural areas, the surrounding vegetation, and any drains, pipes and other equipment or apparatus used for handling storm water drainage.

Provided, however, such maintenance obligations shall cease and terminate, or be reduced, at such time as any governmental entity, through a department of public works or some other agency or division, elects to maintain, in whole or in part, the erosion and storm water drainage efforts, or some other person is providing the necessary maintenance. Following any such assumption of maintenance by the governmental entity or other person, the Association may, without obligation, continue to provide maintenance to the extent that the governmental entity or other person fails to provide adequate maintenance, in the opinion of the Board of Directors.

ARTICLE X RIGHTS RESERVED FOR DECLARANT

this Declaration. Failure by the Association, Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Should any proper party undertake a legal proceeding to enforce a violation or breach of any of these restrictions, such party shall be reimbursed for any legal expenses, court costs or other financial obligations undertaken in enforcing these covenants against the violating party. It is the intention that anyone violating these covenants pay for any expenses undertaken by a proper party in seeing that these covenants are enforced. The violating party must be given a written notice of a violation and given ten days to correct such violation.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 4. Effect and Amendment. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument approved by not less than seventy-five percent (75%) of the Lot Owners. Notwithstanding these provisions, this Declaration may be amended by the Declarant without the approval of any Lot Owners, as long as one Lot within the Property is owned by Declarant. Any amendment must be recorded.

Section 5. Amendment Form. If any amendment to these covenants, conditions and restrictions is so approved, each such amendment shall be delivered to the Board of Directors of the Association. Thereupon, the Board of Directors shall within thirty (30) days, do the following:

- (a) Reasonably assure itself that the amendment has been validly approved by the Owners of the required number of Lots. (For this purpose, the Board may rely on its roster of Members and shall not be required to cause any title to any Lot to be examined).
- (b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are executed. The following form of certification is suggested:

- (c) Immediately, and within the thirty (30) day period aforesaid, cause the amendment to be recorded in the Johnston County Registry.

All amendments shall be effective from the date of their recordation in the Johnston County Registry, provided, however, that no such instrument shall be valid until it has been indexed in the name of the Association in each Registry. When any instrument purporting to amend the covenants, conditions and restrictions has been certified by the Board of Directors, recorded and indexed as provided by this Section, it shall be conclusively presumed that such instrument constitutes a valid amendment as to all persons thereafter purchasing any Lots.

Section 5. Contract Rights of Association. If such Owner shall fail to reimburse the Association or the Declarant, as the case may be, within thirty (30) days after mailing to such Owner of a statement for such costs and expense by the Association or Declarant, the Association may issue a special assessment against such Owner pursuant to this Declaration.

Section 9. OBLIGATION TO IMPROVE PROPERTY AND WAIVER THEREOF. IF ANY OWNER (OR ITS SUCCESSORS OR ASSIGNS) OF A LOT DOES NOT, WITHIN THREE (3) YEARS AFTER CONVEYANCE OF TITLE TO SUCH LOT FROM DECLARANT, OBTAIN A PERMIT TO BEGIN THE CONSTRUCTION OF A PERMANENT RESIDENCE ON SUCH LOT AND WHICH IS APPROVED BY THE ARCHITECTURAL CONTROL COMMITTEE, DECLARANT SHALL HAVE AN OPTION (BUT NOT AN OBLIGATION) TO REPURCHASE SUCH LOT FOR A CASH PRICE EQUAL TO THE PURCHASE PRICE PAID TO DECLARANT FOR SUCH LOT.
