Section 4.02 Common Area Easements. Each Owner shall have a non exclusive perpetual right and easement of use and enjoyment in and to the Common Area and of access to and from such Owner's Lot over any streets, parking areas and walkways comprising a portion of the Common Area (if any), which rights and easements shall be appurtenant to and shall pass with the title to such Owner's Lot and subject to the following rights and restrictions:

(b) The right of the Association to suspend the right of an Owner to use any Common Area facilities (except drainage rights and rights of access to Lots) (i) for any period during which any fine against a Member or any assessment against such Owner's Lot remains unpaid; and (ii) after Notice and Opportunity for Hearing, for a period not to exceed thirty (30) days for any infraction of the Rules and Regulations;

(c) The right of the Association, subject to the provisions of the Act (Section 3-112), to encumber or convey all or any part of the Common Area.

(d) The right of the Association to grant easements, leases, licenses and concessions through or over the Common Areas.

(e) The right of the Association, subject to the provisions of the Act (Section 3-112), to borrow money to improve, repair, restore and reconstruct the Common Area and to place liens on the Common Area and otherwise encumber the Common Area for such purposes.

(g) The rights of the Association and of Declarant to the use of easements for ingress and egress over, in, to and throughout the Common Area.

(h) Public storm drainage easements, sanitary sewer easements, and any and all other easements over the Common Areas as shown on the Maps.

(i) The right of the Association or its representative to enter any Lot in the case of any emergency threatening such Lot or any other lot for the purpose of remedying or abating the cause of such emergency. Such right of entry shall be immediate.

(j) The right of Declarant, its successors and assigns to make any improvements for any reason they deem proper upon the Common Areas, even after their conveyance to the Association. Declarant hereby reserves an easement over the Common Areas for the purpose of developing the remainder of the adjacent property owned by Declarant. Although not limiting the scope of this easement, this easement shall include the right of access at all times for its employees, agent, subcontractors, invitees, etc., over the Common Areas and shall include the right to construct, maintain and dedicate any additional drainage easements, general utility easements and any additional sanitary sewer or water line easements across any of the Common Areas. This easement shall terminate upon the completion of the development of the adjacent property owned by Declarant or ten (10) years from the date hereof, whichever first occurs.

Section 4.03 Delegation. Any Owner may delegate his or her rights of use and enjoyment of the Common Area and any facilities thereon to the members of his or her family or household residing on his or her Lot and to his or her guests and invitees while in possession of his or her Lot, subject, however, to reasonable restrictions imposed by the provisions of this Declaration, the Bylaws and the Rules and Regulations. Subject to the provisions of Section 4.02(a) and Section 4.04 of this Declaration, a tenant of an Owner, while residing on such Owner's Lot, shall be entitled to use and enjoy the Common Area and any facilities thereon and to delegate rights of use and enjoyment in the same manner as if such tenant were the Owner of such Lot. No such delegation shall release an Owner from his or her obligations hereunder, including, without limitation, the obligation to pay Annual Assessments and Special Assessments.

Upon request, each Owner or tenant shall notify the Secretary of the Association of the names of all persons to whom such Owner or tenant has delegated any rights of use and enjoyment of the Common Area and the relationship that each such person bears to such Owner or tenant. Any delegated rights of use and enjoyment are subject to suspension to the same extent as the rights of Owners.

Section 4.04 Tenants. Except with respect to construction trailers or model homes which may be used or occupied by Declarant or any builder to whom Declarant gives written permission and except in cases of emergency or undue hardship, no Owner shall lease or rent its Lot except as may be permitted by the Rules and Regulations. The Board shall determine instances of emergency and undue hardship on a case-by-case basis, and such determination shall be made in the Board's sole and absolute discretion. The leasing of Lots in the Property that is not approved by the Board shall be a violation of this Declaration and the Rules and Regulations, and Declarant and the Association and any Owner within the Property shall have the right to employ any and all remedies available at law or in equity to enjoin the leasing or rental of such Lot.

Section 4.05 Reciprocal Easements. There shall be reciprocal appurtenant easements between each Lot and such portion or portions of the Common Area as may be adjacent thereto and between adjacent Lots for the flow of rainwater from gutters and downspouts, the repair of fences and similar improvements, and lawn maintenance; provided, however, that no such easement shall unreasonably interfere with the use and enjoyment of the Common Area or any adjacent Lot. If any Common Area or Lot improvement encroaches upon a Lot because of the

placement, construction, reconstruction, repair, movement, settling or shifting of the improvements constructed by Declarant, or reconstructed or repaired in accordance with the provisions of this Declaration, an easement for the encroachment and for its maintenance shall exist; provided, however, that in no event shall such an easement exist for willful encroachments. If any Lot encroaches upon the Common Area as a result of construction, reconstruction, repair, shifting, settlement or movement of any portion of the Property, an easement for the encroachment and for its maintenance shall exist so long as it remains.

**Section 4.06 Utility Easements.** Any easements for installation, maintenance, use or repair of public utilities or drainage or detention facilities which are dedicated on any Map of the Property, reserved under any deed of any Lot, or created by Declarant in some other way shall be kept free of buildings, and within such easements no structure, fence, planting or other improvement shall be placed or permitted to remain which may damage or interfere with the installation, maintenance, use or repair of such public utilities or drainage or detention facilities, or which may damage, interfere, or change the direction or flow of drainage in the easements. Notwithstanding anything contained herein to the contrary, any such easement dedicated on any Map of the Property, reserved under any deed of any Lot, or created by Declarant in some other way shall be maintained by the Owner(s) of any affected Lot(s) to the extent so encumbered by said easement, including all storm drainage facilities located within any "P. S. D. E." (public storm drainage easement) or "PDE" or "Private Drainage Easement" shown on the Map, except as otherwise indicated by such Map or unless maintenance has been assumed by any public utility or governmental entity having jurisdiction thereover. All such easements described in this Section 4.06 at all times shall be accessible to Declarant until the Property is completed and at all times shall be accessible to all persons installing, repairing, using or maintaining such utilities and drainage facilities.

All utility lines of every type, including but not limited to water, electricity, gas, telephone, sewage and television cables, running from the main trunk line or service location to any Lot must be underground. Until the date that is one (1) year after the Completion of Sales, the Declarant reserves unto itself, its successors and assigns, a perpetual alienable easement and right on, over and under the ground to erect, maintain and use water, irrigation, electric, gas, telephone, sewage and television cables, and any other utilities lines and conduits for the purpose of bringing public or other services, at this time known or unknown, to the Property on, in, under and over the private streets or roads and over any Lot, and over such areas as are so identified on any Map of the Property or shown on any site plan or construction drawings for the Property on file with and approved by the City. In addition, the Association may cut, in the above described easements, as well as any where else as required, at its own expense, drainways for surface water and/or to install underground storm drainage wherever and whenever such action is required by applicable health, sanitation or other state or local authorities, or in order to maintain reasonable standards of health, safety and appearance. In addition, along streets fronting property lines, Declarant reserves the right to install, maintain and repair pedestrian paths, street lights and/or street-side landscaping, which right shall automatically transfer to the Association upon the termination of Class B membership. Any easements first established on property not owned by the Declarant must be consented to by the Owner of such property and evidenced on the Map or in recorded instrument creating the easement.

The Declarant may, but shall not be required to, release any of the easements reserved herein as to any Lot for which it deems such easement is unnecessary for the efficient development and operation of the Property.

Section 4.07 No Subdivision of Lots; No Time Sharing. Other than that effected by Declarant in preparing and recording Maps, or in revising recorded Maps, there shall be no further subdivision or partition of any Lot nor shall any Owner other than Declarant, or any other person acquiring any interest in a Lot seek any partition or subdivision thereof unless the Association consents to such subdivision or partition as evidenced on a Map. There shall be no time sharing or other co ownership which allows multiple Owners sequential possessory interests in a Lot.

Section 4.08 Sale of Common Area. Except as otherwise provided in this Declaration and except as provided in the Act, no sale, transfer, dedication, hypothecation, partition, subdivision, abandonment, release or alienation of the Common Area shall, or may be, effected.

Section 4.09 Limited Common Area. Certain portions of the Common Area may be designated as "Limited Common Area" and reserved for the exclusive use or primary benefit of Owners of designated Lots and their invitees. By way of illustration and not limitation, Limited Common Area may include entry features, recreational facilities, landscaped medians and cul-de-sacs, roadways not necessary to provide other Lots with access to public streets, lakes and other portions of the Common Areas designated to benefit particular Lots. All costs associated with maintenance, repair, replacement, and insurance of a Limited Common Area shall be an expense allocated to the Owners to which the Limited Common Area is assigned, which may be recovered by one or more Special Assessments levied by the Board equally against the benefited Owners. Any Limited Common Area shall be designated as such and the exclusive use thereof shall be assigned in the deed(s) by which the Declarant conveys the Common Area to the Association and shown on a Map designating such Limited Common Area; provided, any such assignment shall not be exclusive and shall not preclude the Declarant from later assigning use of the same Limited Common Area to additional Lots. The Association may, upon approval of the Owner(s) of the Lot(s) to which certain Limited Common Area is assigned, permit Owners of other Lots and their invitees to use all or a portion of such Limited Common Area upon payment of reasonable user fees, which fees shall be used to offset the Special Assessments attributable to such Limited Common Area.

Section 4.10 Declarant's Right to Change Development Plans; No Protest regarding Adjacent Commercial Property Use. With the approval of the City, Declarant shall have the right, without consent or approval of the Owners, to create Lots and dwelling units, add Common Area, change unit types and reallocate units within the Property, and release or withdraw real property from the development. In addition, Declarant shall have the right to change Common Area and Lots designations, the boundary lines of Common Area and Lots and the location of easements shown on any Map by recording a new Map showing such changes, which Map shall be executed by the Declarant and the Owner of the Common Area or Lot so modified. To the fullest extent permitted by North Carolina law, each Owner covenants by acceptance of the deed or instrument by which its Lot is conveyed not to protest, challenge or otherwise object to (i) changes in uses or density of the Property or Additional Land, or (ii) changes in the site plan and other development documents filed with the City in connection with the Property or Additional

Land, or (iii) uses of that certain commercial property owned by S & K Partnership, L.L.C. and being a portion of the real property described in the deed recorded in Book 6499, Page 695, Wake County Registry, which commercial property is located adjacent and to the east of the Property (the "Adjacent Commercial Property"), that are consistent with uses permitted under the zoning regulations applicable to the Adjacent Commercial Property as of the date of recordation of this Declaration for so long S & K Partnership, L.L.C. owns the Adjacent Commercial Property.

Section 4.11 Rules and Regulations. The Association shall have the right to adopt, publish and enforce Rules and Regulations governing the Property, the use and enjoyment of the Common Area, and any facilities thereon, and the personal conduct thereon of the Owners, their guests, invitees, members of their families or households and tenants. Such Rules and Regulations shall be reasonable, shall not discriminate against Declarant (or have an adverse impact on Declarant or upon the sale of Lots or the construction of improvements thereon), and must be consistent with this Declaration, the Articles and the Bylaws. Rules and Regulations and any changes thereto shall be effective upon Board approval and shall be mailed to each Owner addressed to the Owner's address last appearing in the books of the Association, postage prepaid, within thirty (30) days of Board approval.

Section 4.12 Enforcement. Unless otherwise limited by the terms and provisions of the Act, the Association shall be authorized to impose sanctions for violations of this Declaration, the Bylaws, or the Rules and Regulations. Sanctions may include reasonable monetary fines not to exceed \$100.00 per day and suspension of the right to vote and to use any facilities within the Common Area after Notice and Opportunity for Hearing(excepting drainage rights and rights of access to Lots). In addition, the Association, through the Board, after Notice and Opportunity for Hearing, shall have the right to exercise self-help to cure violations, and shall be entitled to suspend any services provided by the Association to any Owner or Lot in the event that such Owner is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association. The Board shall have the power to seek relief in any court for violations of this Declaration, the Bylaws or the Rules and Regulations or to abate nuisances.

## **ARTICLE 5 COMMON AREA EASEMENTS AND RIGHTS OF WAY; ENCUMBRANCES**

Section 5.01 Dedications. The Association shall have the power to grant easements in, on, over, through and across the Common Area for any public or quasi public improvements or facilities and their appurtenances, including, without limitation, street, sewer, drainage, water, gas and sprinkler improvements and facilities, provided (a) any such easement does not unreasonably interfere with the use and enjoyment of the Common Area or any Lot, and (b) the prior written consent of Declarant shall be obtained so long as Declarant owns any Lot. Each Owner, by accepting a deed to a Lot, expressly grants to the Association an irrevocable power of attorney for the purpose of granting such easements in, on, over, through and across the Common Area. The President or other duly designated officer of the Association may execute, acknowledge and record in the official records of the County a certificate stating that the Board is the attorney in fact for the Owners for the purpose of such grant and that such power of attorney is properly exercisable in accordance with this Declaration. The acts of the Board in exercising its power of attorney shall be conclusively binding on all Owners. The power of

attorney herein granted shall include authority to do such acts incidental to such grant and to incur such expenses as may be necessary or convenient in connection therewith. The Board, by resolution, shall instruct the appropriate officers of the Association to make, execute and deliver on behalf of any Owner, as his or her interest may appear, any and all instruments, certificates and documents, including but not limited to, releases, waivers, deeds, escrow instructions and conveyances of every kind and nature, as may be deemed necessary or convenient for such dedication or grant.

Section 5.02 Easements in Private Streets, Private Water Lines and Private Sewer Lines. In its development of the Property, the Declarant may construct certain private streets, private water lines and private sewer lines within the Property. The Owners of those Lots adjacent to such private streets, private water lines and private sewer lines shall have an easement but no more than an easement for ingress and egress for themselves, their tenants, agents, employees, representatives, invitees and assigns over such private streets and an easement to utilize such private water lines and private sewer lines. In no case shall the City, County or the State of North Carolina be responsible for maintaining any private street, private water line or private sewer line. Such maintenance obligations shall be the responsibility of the Association and Owners acknowledge that private streets will not be constructed to minimum standards sufficient to allow their inclusion for public maintenance. If any private streets, private water lines or private sewer lines encroach upon a Lot because of the placement, construction, reconstruction, repair, movement, settling or shifting of the improvements constructed by Declarant, or reconstructed or repaired in accordance with the provisions of this Declaration, an easement for the encroachment and for its maintenance shall exist; provided, however, that in no event shall such an easement exist for willful encroachments. In no case shall the City, County or State of North Carolina be responsible for failing to provide any emergency or regular fire, police, or other public service to the Property and the Owners when such failure is due to lack of access to such areas within the Property due to inadequate design or construction, blocking of access routes, inadequate maintenance or any other factor within the control of the Declarant, Association or Owners

Section 5.03 Encumbrances. The Association shall have the right to borrow money to improve, repair, restore and reconstruct the Common Area and to place liens on the Common Area and otherwise encumber the Common Area for such purposes upon the vote or written consent of eighty percent (80%) of the Voting Power of the Association, or such lesser percentage as may be required or permitted by the Act.

## **ARTICLE 6 COMMON AREA AND LOT MAINTENANCE**

Section 6.01 Maintenance by Association. The Association shall repair and maintain the Common Area and any improvements, utilities and facilities located on the Common Area. The Association may, but shall not be obligated to, provide enhanced landscaping and maintenance to those areas and medians located within the rights-of-way for streets located within the Property. Any maintenance or enhancement called for herein shall be subject to governmental authorities' rules and regulations in the City.

In addition to maintenance upon the Common Area, the Association shall provide lawn maintenance upon each Lot which is subject to assessment hereunder to include the mowing and trimming of grass, shrubs and trees and the placement of pine straw on the Lot twice a year; **provided, however, it shall be the responsibility of each Owner to water the grass, shrubs, plants, trees and landscaping on or immediately adjacent to its Lot.** The determination of the need, quality, extent and cost of such maintenance shall be made by the Board of the Association, which determination shall be reasonable and made upon consistent and non-arbitrary principles adopted by the Board.

The Declarant is responsible for construction of streets and roads within the Property. The Association shall undertake the management, operation, maintenance, repair, servicing, replacement and renewal of all private streets and private utilities constituting Common Areas and all improvements thereon. The Declarant shall be responsible for and maintain all other streets and roads within the Property until such roads are accepted for maintenance by the applicable governmental authority. Following any irrevocable acceptance of the streets and roads for maintenance as public rights of way by applicable governmental entities, the Association shall maintain such streets and roads to the extent such activities are not performed by the applicable governmental entities. Maintenance for private streets, private water lines and private sewer lines shall be the responsibility of the Association along with the maintenance of any private easements.

Section 6.02 Maintenance by Owners. Except as provided in Section 6.01, above, all repair, maintenance and replacement of the improvements and utilities located upon an Owner's Lot shall be the responsibility of the Owner thereof. Without limiting the generality of the foregoing, and subject to the requirements of Section 13.06 of this Declaration, an Owner shall be responsible for replacement and reconstruction of improvements on his or her Lot required because of damage or destruction by fire or other casualty, and each Owner shall maintain, repair and replace the surface and subsurface drainage facilities and appurtenances located on his or her Lot as may be necessary to maintain good and proper drainage of the property and other real property in the vicinity, except for such facilities the maintenance of which has been assumed by the City or other governmental entity. If any Owner, after Notice and Opportunity for Hearing, fails to maintain, repair and replace such drainage facilities and appurtenances as required herein, the Association, at the expense of such Owner, shall maintain, repair or replace such drainage facilities and appurtenances at the sole cost and expense of such Owner, and the Board, without the vote or written consent of Members, may levy a special assessment against such Owner to obtain reimbursement therefor as provided in Section 9.07.

No building or other structure shall be placed or permitted to remain on any Lot which may damage or interfere with the use, maintenance, repair or replacement of such drainage facilities and appurtenances and no Owner shall do any work, construct any improvements, place any landscaping or suffer the existence of any condition whatsoever which shall alter or interfere with the drainage pattern for the Lots or Common Area as established in connection with the approval of the Map(s) of the Property by the City, except to the extent such alteration in drainage pattern is approved in writing by the Association and all public authorities having jurisdiction. All such drainage facilities and appurtenances shall at all times be accessible to Declarant until the Property is completed and at all times shall be accessible to the Association and all persons installing, using, maintaining, repairing or replacing such drainage facilities and

appurtenances. Declarant may from time to time present for recordation in the official records of the County instruments showing approximate locations of subsurface storm drainage facilities and of subsurface groundwater drainage facilities. If for any reason any such instrument is not accepted for recording, Declarant may deliver such instrument to the Association, and the Association shall maintain the same as part of its permanent records. In either event, each Owner shall be deemed to have notice of the location of such drainage facilities as may be shown in such instrument.

Section 6.03 Negligence. The cost of repair or replacement of any improvement to be maintained and kept in repair by the Association, which repair or replacement is required because of the act or omission of any Owner, the Owner's family, guests, or invitees, shall be the obligation of such Owner and shall be added to and become a part of the assessment to which such Lot is subject.

Section 6.04 Right to Enter. After reasonable notice to the occupant(except in the case of an emergency in which no notice shall be required), the Association or its agents shall have access over and upon any Lot when necessary in connection with any repair, maintenance, or replacement of improvements for which the Association is responsible or for the enforcement of this Declaration, and each Owner shall accept title to his or her Lot subject to such right of access of the Association or its agents.

Section 6.05 Easements for Governmental Access. An easement is hereby established over the Common Area and every Lot for the benefit of applicable governmental agencies for installing, removing, and reading water meters; maintaining and replacing water, sewer and drainage facilities; and acting for other purposes consistent with public safety and welfare, including, without limitation, law enforcement, fire protection, animal control, garbage collection, and the delivery of mail.

Section 6.06 Sign and Landscape Easement. Declarant, for itself, its successors and assigns, including but not limited to the Association, hereby reserves easements over any portion of any Lot designated as "Landscape Easement," "Sign Easement," "Landscape and Sign Easement" or other similar designation on Map(s) of the Property recorded in the public records of the County, for installation, construction, operation and maintenance of landscaping, berms, retaining walls, drainage facilities, private utilities, lighting and sprinkler systems, if any, monuments, fencing, signage and other improvements as installed by Declarant on such areas. No fences, structures, driveways, plantings, swings or any other objects, temporary or permanent, shall be permitted in such easements other than those initially installed by Declarant, or its designated successor, without Declarant's prior written approval or, after all Lots are occupied by Owners, the Association's prior written approval. The Association shall at all times have the right of access for its employees, agents and subcontractors over the above-described easement areas for the purpose of constructing, improving, repairing, replacing, landscaping, planting, mowing and otherwise maintaining the area and amenities within such easements. The Owners of any Lot containing any portion of these easements shall maintain the area not maintained or landscaped by the Declarant or the Association. The reservation of this easement imposes no obligation on Declarant, its successors and assigns, or the Association, to continue to maintain the planting, retaining walls, landscaping or other improvements located within the described easements.

Section 6.07 Professional Management. In the event that Declarant or the Association enters into any contract with any person or entity to provide management or maintenance services to the Common Area, such contract shall not exceed one (1) year and shall provide that the Association shall have the right to terminate the contract for cause or without cause upon thirty (30) days' written notice without payment of a termination fee.

## **ARTICLE 7 USE RESTRICTIONS**

In addition to the architectural control restrictions set forth in Article 13 below, the following use restrictions apply to the Property:

Section 7.01 Residential Use. Except as otherwise provided in this Declaration, Lots shall be used for residential purposes and for no other purpose. The Association shall not interfere with any Owner's freedom to determine the composition of his/her household, except that it may enforce reasonable occupancy limits. Except with respect to construction trailers or model homes which may be used or occupied by Declarant, no Owner shall use or cause or permit to be used his or her Lot for any business, commercial, manufacturing or mercantile use or purpose, or for any other nonresidential use or purpose. The foregoing notwithstanding, it shall be expressly permissible for Owners to conduct certain business or commercial activities within their residence which do not conflict with local zoning ordinance restrictions and regulations. No such activity shall be conducted which shall unduly burden traffic flows within the Property or cause the parking of non-resident vehicles upon the street for unreasonable or excessive periods of time. It shall be within the discretion of the Board to determine, on a case-by-case basis, which commercial and business related activities will be compatible with the residential nature of the subdivision.

Section 7.02 Unlawful Activity. No unlawful activity shall be conducted on any Lot or in any other part of the Property. Nothing shall be done within the Property that is an unreasonable annoyance, inconvenience or nuisance to the residents of the Property, or that unreasonably interferes with the quiet enjoyment of occupants of Lots. No doorways, walkways or streets shall be obstructed in any manner which would interfere with their use for ingress or egress in the event of fire, earthquake or other emergency.

Section 7.03 Property Owners Parking Rights. Unless otherwise permitted by the Rules and Regulations no boat, trailer, recreational vehicle, camper, camper truck or commercial vehicle (commercial vehicle being defined as a vehicle having advertising of the Owner's business or an employer's business shown thereon) shall be parked, stored or left (a) on any undesignated part of the Common Area, (b) in any parking space, (c) on any other part of a Lot, (d) or otherwise within the Property. This restriction shall not apply to sales trailers, construction trailers, or other vehicles which may be used by Declarant or a builder (provided that such builder obtains the prior written approval of Declarant) and their agents and contractors in the conduct of their business prior to the Completion of Sales. No vehicle of any type which is abandoned or inoperative shall be stored or kept on any part of the Common Area or on any Lot, and no automobiles or other mechanical equipment may be dismantled or parts thereof stored on any said Lot. No repairs to or maintenance of any automobile or other vehicle shall be

made or performed on any driveway within the Property, except in the case of emergency and except as may be permitted by the Rules and Regulations.

There shall be a maximum of three (3) vehicles permitted per household for each Lot. To enhance the streetscape in the Property, it shall be required that each Owner park its vehicles in the garage on the Lot whenever possible. All garages shall be used primarily for the storage of vehicles. No vehicles of any type shall be parked on the sidewalk, nor shall vehicles of any type be parked or stored on any part of a Lot other than in the garage or driveway of such Lot, excepting occasional overflow parking for guests or other reasonable purposes provided that no inconvenience is imposed on the Owners of other Lots.

An Owner, his household or tenants shall not park any vehicle in any undesignated portion of the Common Area or overnight on the street rights of way within the Property. Parking in any Common Area facility parking lot shall be limited to the hours of operation of such facility. Owners shall be subject to sanctions if the parking regulations are violated. Sanctions may include reasonable monetary fines not to exceed \$100.00 per day and suspension of the right to vote and to use any facilities within the Common Area after Notice and Opportunity for Hearing (except drainage rights and rights of access to Lots). In addition, the Association, through the Board, after notice to the Owner, shall have the right to exercise self-help to cure violations, including the towing of vehicles at the Owner's expense. The Association shall have the right to require the Owners to register the license plate number of any vehicle of the Owner or any member of its household with the Association.

Section 7.04 Signs and Curtains. No Owner shall place on or about any window any metallic foil or other coating, substance or material which similarly acts as a reflector of light nor shall an Owner place newspapers or bed sheets in any window. All curtains, blinds and window treatments shall be approved by the Architectural Control Committee. Except as otherwise required by the City, no sign of any kind shall be displayed to the public view on any Lot excepting one sign of not more than nine (9) square feet advertising a Lot for sale and signs of not more than nine (9) square feet expressing support of or opposition to political candidates or other issues which will appear on the ballot of a primary, general or special election, *provided that* such political signs shall not be placed on a Lot earlier than sixty (60) days before such election and shall be removed within two (2) days after such election. No sign of any kind shall be displayed in or on the Common Area without the prior written consent of the ACC. Notwithstanding the foregoing, Declarant or its agents shall have the right to erect and maintain signs of any type and size on any Lot which it owns and on the Common Area in connection with the development and sale of the Lots.

Section 7.05 Antennas. As provided in Article 13, except for such as are covered by, and installed in strict compliance with, the requirements of the Telecommunications Act of 1996, as amended, no Owner shall construct, install, erect or maintain any outside television or radio pole or receiving antenna, including a satellite dish antenna, and no outdoor television antenna or satellite dish may be erected or installed by an Owner or permitted by an Owner to remain on his or her Lot, without the express written approval of the Architectural Control Committee.

Section 7.06 Laundry. No drying or airing of any clothing or bedding shall be permitted outdoors on any Lot and no clothes hanging devices such as lines, reels, poles, frames, etc. shall be stored or kept outdoors on any Lot.

Section 7.07 Fences and Shrubbery. Except which may be constructed by Declarant, no fence or wall shall be erected upon any Lot unless plans therefor have been approved, in advance, by the Architectural Control Committee pursuant to the provisions of Article 13. Chain link fencing is expressly prohibited. No hedge, shrubbery, or other planting, nor other plant screening shall be installed on any Lot except with the prior written permission of the Architectural Control Committee.

Section 7.08 Pets.

(a) No animals shall be raised, bred or kept on any Lot or the Common Area, except that dogs, cats, or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes. The number of household pets generally considered to be outdoor pets, such as dogs, cats, et cetera, shall not exceed a total of three (3) in number except for newborn offspring of such household pets which are under nine (9) months of age. No animal shall be allowed if such animal constitutes an unreasonable annoyance, inconvenience or nuisance to any other Owner. If the Board receives any complaint that an animal constitutes an unreasonable annoyance, inconvenience or nuisance, including, but not limited to a complaint that an Owner's animal is being neglected, improperly treated, or not properly restrained upon such Owner's Lot, or if upon Common Area, not properly leashed, the Board shall afford the Owner of such animal Notice and Opportunity for Hearing, and may require the complainant to present evidence of unreasonable annoyance, inconvenience or nuisance at the hearing, and if the Board finds that such animal constitutes an unreasonable annoyance, inconvenience or nuisance, the Board may require that such animal be removed from the Property. Excepting domesticated cats, any time that an animal is outside, it must be on a leash and accompanied by the Owner, or some other person. Excepting domesticated cats, animals shall not be left unattended outside even when chained or contained inside a fence, except as may be permitted in writing by the ACC. At no time shall animals be allowed to be chained or tied in the Common Area. Each Owner shall also be responsible for cleaning up the feces of its animals both on its Lot and on the Property.

(b) The Board may adopt Rules and Regulations concerning animals which are more restrictive than the provisions of this Declaration, including (if not already mandated by applicable laws of the City) rules requiring that all animals be kept on a leash when in the Common Area and/or that animals be restricted to designated areas within the Common Area. The Board may adopt a rule prohibiting certain pets, which is more restrictive than the provisions of this Declaration, except that such rule shall not apply to animals residing in the Property at the time such rule is adopted. In any event, the Board at any time may require that any animal found to be an unreasonable annoyance, inconvenience or nuisance be removed as provided in Section 7.08(a).

Section 7.09 Trash and Vegetation. No trash, rubbish, garbage or other waste material shall be kept or permitted upon any Lot or the Common Area, except in sanitary containers located in a garage or, if there is no garage, in an appropriate area screened and concealed from view (except for the periods immediately preceding and subsequent to pick up by the applicable disposal service). No weeds, vegetation, rubbish, debris, garbage, waste materials or materials of any kind whatsoever shall be placed or permitted to accumulate on any Lot or any portion of the Property which would render it unsanitary, unsightly, offensive, or detrimental to any property in the vicinity thereof or to the occupants of any property in such vicinity, except as is temporary and incidental to the bona fide improvement of any portion of the Property. Job site debris shall be removed from all Lots at least weekly. Grass, hedges, shrubs, vines and mass planting of any type on any Lot or any portion of the Property shall be kept trimmed and shall at regular intervals be mowed, trimmed and cut so as to appear neat and attractive. It shall be each Owner's responsibility to water the lawn and the plants on its Lot at regular intervals. Trees, shrubs, vines and plants which die shall be promptly removed. No leaves, trash, garbage or other similar debris shall be burned except as permitted by the appropriate governmental authority.

Section 7.10 Nuisance. No noxious or offensive activity shall be carried on in or upon any part of the Property nor shall anything be done thereon which may be or become an unreasonable annoyance, inconvenience or nuisance to the residents of the Property or unreasonably interfere with the quiet enjoyment of occupants of Lots. No Owner shall permit anything to be done or kept on his or her Lot which would result in the cancellation of insurance on said Lot or any other residence or any part of the Common Area or which would be in violation of any law.

Section 7.11 Outbuildings, Yard Art, Gazebo, Trampolines, Awnings, Freestanding Flagpoles and Above-Ground Pools. Except as may be permitted by the Architectural Control Committee, no Owner shall construct, install, erect or maintain upon any Lot any outbuilding, yard art, storage shed (unless erected by Declarant), gazebo, trampoline, awning or freestanding flagpole (provided, flags may be displayed using a bracket or other approved device mounted to a dwelling so long as the size of the flag displayed does not exceed a standard size as same may be determined by the Architectural Control Committee). In no event shall any outbuilding, storage shed, gazebo, or trampoline be constructed on any Lot in the front or side yards, as determined by the building lines applicable to the Lot. No above-ground pools (except for wading pools no deeper than 2 feet tall and no wider than 10 feet in diameter, which shall be regulated by the Architectural Control Committee) shall be allowed or approved by the Architectural Control Committee on any Lot. Wading pools shall only be allowed during appropriate weather and must be emptied and stored when not in use.

Section 7.12 Temporary Structures. No temporary structures shall be placed upon any portion of the Property at any time; provided, however, this restriction shall not prohibit construction trailers or shelters or sheds used by Declarant or any builder or its contractors during the development of the Property or the construction of improvements or additions to any Lot. Tents, recreational vehicles, trailers (whether attached or unattached to the realty) may not, at any time, be used as a temporary or permanent residence or be permitted to remain on any portion of the Property.

Section 7.13 ACC Approval of Plans and Other Prohibitions.

(a) The construction of improvements on Lots shall be completed pursuant to the Plans in accordance with Article 13. In addition, Lots shall comply with all applicable building, plumbing, electrical and other codes.

(b) All window treatments must be in keeping with the overall scheme and aesthetic of the Property. Any window treatments deemed not to be in keeping with the overall scheme and aesthetic of the Property shall be removed by the Owner in the discretion and at the direction of the ACC.

(c) No vents, pipes or other appendages may extend from the front of any dwelling on a Lot, unless screened from public view by screening material or shrubbery approved by the ACC.

(d) Any exterior air-conditioning or heating equipment added after the completion of construction must approved by the ACC and be screened from public view by screening material or shrubbery approved by the ACC.

(e) Downspouts and gutters shall be constructed so as not to promote the erosion of the soil of any Lot.

(f) Exterior lighting shall be shielded and must be directed so as not to shine directly on another Lot.

(g) No yard art (including, without limitation, any windmills, figurines, or sculptures) may be installed on a Lot unless approved by the ACC.

(h) No hanging plants may be installed on a Lot unless approved by the ACC.

(i) No furniture (including, without limitation, tables, chairs, and grills) may be located or stored on any front porch unless approved by the ACC.

Section 7.14 Trees and Foliage. Trees measuring two (2) inches or more in diameter at a point two (2) feet above ground level and any flowering trees or shrubs above two (2) feet in height may not be removed from the Property without the prior written approval of the ACC, unless such landscaping material is in the path of driveways and walkways located or to be located on any Lot. Excepted herefrom shall be damaged or diseased trees that threaten persons or property, which damaged or diseased trees shall be removed by the Owner.

Section 7.15 Discharge of Firearms. Hunting and trapping of wild animals, fowl and game and the discharge of firearms and/or bows and arrows within the Property is prohibited.

Section 7.16 Motorized Vehicles. All motorized vehicles operating within the Property must be properly muffled so as to eliminate noise which might be offensive to others. All motorized vehicles and motorized bicycles are prohibited from being used or operated anywhere other than on the streets, roads, parking lots and driveways within the Property.

Section 7.17 Mail and Delivery Boxes. The ACC shall determine the standards and issue guidelines for the location, material, color and design for mail and newspaper boxes, if any, and the manner in which they shall be identified. All Owners must display the assigned street address on their mail boxes, or other appurtenance, pursuant to the then current regulations of the City or other appropriate governmental entity. No mailboxes nor additions nor modifications to the standard mailbox shall be allowed or approved by the Architectural Control Committee on any Lot.

Section 7.18 Underground Storage Tanks. No underground storage tanks for natural gas, propane, chemicals, petroleum products or any other toxic product will be allowed anywhere in the Property.

Section 7.19 Declarant's Rights. Notwithstanding anything to the contrary contained in this Article or elsewhere in this Declaration, Declarant, its agents, employees and contractors shall not be restricted or prevented by this Declaration from doing, and Declarant, its agents, employees and contractors shall have the right to do such things or take such actions as they deem necessary, advisable or convenient for completion and improvement of the Property as a residential community and for the sale, rental or other disposition of Lots in the Property. The rights of Declarant, its agents, employees and contractors shall include, without limitation:

(a) The right and easement of ingress in, over and upon the Common Area and any Lot for the purpose of performing on any part or parts of the Property acts deemed necessary, advisable or convenient for the completion and improvement of the Property as a residential community and for the sale, rental or other disposition of Lots;

(b) The right to erect, construct, maintain, demolish or remove structures and other improvements on any Common Area as they deem necessary, advisable or convenient for the completion and improvement of the Property as a residential community and for the sale, rental or other disposition of Lots; and

(c) The right to use Lots and improvements owned by Declarant as models, sales offices and contractor's offices and to construct and display promotional, informational and directional signs and other sales aids on or about any portion of the Property.

The rights reserved under this Section shall terminate one (1) year after the Completion of Sales. Amendment of this Section shall require the vote or written consent of seventy five percent (75%) of the Voting Power of the Association. Further, no amendment of this Section can be made without the written approval of Declarant.

Section 7.20 Right to Enter. Any governmental agency, including, but not limited to the City or County, their agents and employees, shall have the right of immediate access to any Lot and to the Common Area at all times if necessary for the preservation of public health, safety and welfare.

**ARTICLE 8**  
**MEMBERSHIP AND VOTING RIGHTS**

Section 8.01 Governing Body. The Association shall be the governing body for all Owners with respect to the management, administration, maintenance, repair and replacement of the Property, as provided by this Declaration and the Bylaws.

Section 8.02 Membership. Membership in the Association shall be composed of and limited to Owners. Each Owner, including Declarant, shall automatically be a Member of the Association and entitled to vote as set forth below. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Upon termination of ownership, an Owner's membership shall automatically terminate and be automatically transferred to the new Owner of the Lot.

Section 8.03 Voting. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of Declarant; provided, however, that Declarant shall become a Class A Member when its Class B membership ceases as provided hereinafter. Class A Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an ownership interest in any Lot, all such persons shall be Members, but no more than one vote shall be cast with respect to any Lot. The vote for any such Lot shall be exercised as the Members holding an interest in such Lot determine among themselves. In the event of disagreement, the decision of Members holding a majority of interest in such Lot shall govern. Unless otherwise notified by a co owner as to a dispute between the co owners regarding their vote prior to the casting of that vote, the vote of any co owner shall be conclusively presumed to be the majority vote of the Owners of that Lot.

Class B. Class B Member shall be Declarant which shall be entitled to ten (10) votes for each Lot owned; provided that Declarant's Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) the conveyance by Declarant of seventy-five percent (75%) of all Lots in the Property to Owners other than a successor Declarant for use as a residence; or (b) ten (10) years after the first Lot is conveyed to an Owner for use as a residence.

Section 8.04 Commencement of Voting Rights. Voting rights attributable to an ownership interest shall not vest until the Annual Assessment against that interest has been levied by the Association as provided in Article 9; provided, however, that voting rights shall be immediately vested with respect to the approval of any amendments to this Declaration.

Section 8.05 Declarant's Voting Rights. Declarant shall have the right to cast votes attributable to Lots owned by Declarant on all matters submitted to a vote of the Members.

Section 8.06 Control by Declarant. Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles, or in the Bylaws, Declarant hereby retains the right to appoint and remove any person, whether or not an Owner, on the Board of Directors of

the Association and any officer or officers of the Association until ninety (90) days after the first of the events to transpire outlined in Section 8.03 above concerning the termination of the Class B Member status of Declarant or the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant. Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, such right shall automatically pass to the Owners, including Declarant if they then own one or more Lots; and a special meeting of the Association shall be called for and held within ninety (90) days from the date of the expiration of Declarant's rights hereunder. At such special meeting the Owners shall elect a new Board of Directors which shall undertake the responsibilities of running the Association and Declarant shall deliver the books, accounts, and records, if any, which they have kept on behalf of the Association as well as any agreements or contracts executed by or on behalf of the Association which may still be in effect or operation. Each Owner by acceptance of a deed to or other conveyance of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section.

## **ARTICLE 9 COVENANTS FOR ASSESSMENTS**

Section 9.01 Covenant to Pay Assessments; Lien. Declarant, for each Lot owned by Declarant, hereby covenants to pay, and every Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay, to the Association such Annual Assessments or charges and such Special Assessments or charges as may be levied by the Association pursuant to the provisions of this Declaration. The amount of any such annual or special assessment plus any other charges thereon, such as interest, late charges and costs (including attorneys' fees), as such may be provided in this Declaration or the Act, shall be and become a lien upon the Lot assessed when such annual or special assessment remains unpaid for a period of thirty (30) days or longer and the Association causes to be recorded in the office of the clerk of superior court in the County a notice of assessment, which notice shall state:

- (a) The amount of such assessment and such other charges thereon as may be authorized by this Declaration and the Act;
- (b) A description of the Lot against which the same has been assessed; and
- (c) The name of the record owner of the Lot assessed.

Such notice shall be signed by an authorized representative of the Association. Upon payment of such assessment and charges in connection with which such notice has been so recorded, or other satisfaction thereof, the Association, at the Owner's cost and expense, shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof. The lien provided for herein shall be prior to all other liens recorded subsequent to the recordation of such notice of assessment. The lien may be enforced by foreclosure in accordance with North Carolina law, or in any other manner permitted under the Act or by law. The Association shall have power to purchase the Lot at a foreclosure sale and to hold, lease, mortgage and convey the same.

Section 9.02 Personal Obligation. Each Annual Assessment or Special Assessment, together with any late charges, interest, collection costs and reasonable attorneys' fees, shall be the personal obligation of each person or entity, other than any Mortgagee, who held an ownership interest in the Lot at the time such assessment was levied. If more than one Person held an ownership interest in the Lot at such time, the personal obligation to pay such assessment or installment respecting such Lot shall be both joint and several. No Owner may exempt himself or herself from payment of assessments, or installments, by waiver of the use or non use of common facilities within the area or of any other portion of the Common Area or by abandonment or leasing of his or her Lot.

Section 9.03 Use of Assessments. Annual Assessments or Special Assessments paid by Declarant and other Owners shall be used to pay the Common Expenses of the Association.

Section 9.04 Reserve Funds. The Board shall establish and maintain reserves in accordance with standard accounting practices and procedures for Common Area replacements and maintenance and the initial budget of the Association. Each budget subsequently adopted by the Board shall provide for funds to be placed in reserves in the discretion of the Board unless a different level of reserves is approved by the vote or written consent of a majority of the Voting Power of the Association. Funds deposited in reserve for a particular purpose shall be held for that purpose and shall not be expended for any other purpose without the vote or written consent of a majority of the total Voting Power of the Association, except that if the Board determines that funds held in reserve for a particular purpose exceed an amount reasonably required as a prudent reserve for that purpose, then, without the vote or written consent of Members, the excess may be allocated to any other reserve fund established by the initial budget of the Association and expended for the purpose for which such other reserve fund has been established.

Section 9.05 Annual Assessments.

(a) The Annual Assessment for each Lot for the first assessment year shall be as follows: A maximum of \$1,722.00 per Lot owned by a Class A Member, and \$574.00 per Lot owned by a Class B Member; provided, however, that if the first assessment year shall have fewer than twelve months, the foregoing amounts shall be proportionately reduced. The Board shall adopt a proposed budget and fix the amount of the Annual Assessment as to each Lot for each subsequent calendar year at least thirty (30) days prior to January 1 of such calendar year. The ratio of the assessment established for Lots owned by Class A Members to the assessment established for Lots owned by Class B Members shall be three (3) to one (1). The Association shall send written notice of the amount of the Annual Assessment and a summary of the proposed budget, as well as the amount of the payment due, to each Owner within thirty (30) days after the adoption by the Board of such budget. To the extent required by North Carolina General Statutes 47F-3-103(c) or other applicable law, such notice shall include notice of a meeting of the Members to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. If such a meeting is required by N.C. General Statutes 47F-3-103(c), or other applicable law, the Board shall set a date for a meeting of the Members to consider ratification of the budget to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. If such meeting is required as set

forth above, there shall be no requirement that a quorum be present at the meeting. If the proposed budget to be voted on at any such meeting is within the maximum increase limits set forth in subsection (b) below, the budget is ratified unless at such meeting Members exercising all of the Voting Power in the Association reject the budget. If the proposed budget to be voted on at any such meeting exceeds the maximum increase limits set forth in subsection (b) below, the budget is ratified unless at such meeting Members exercising a majority of the Voting Power in the Association reject the budget. The failure of the Association to send, or of a Member to receive, such notice shall not relieve any Member of the obligation to pay Annual Assessments.

(b) For years following the year in which the initial conveyance of all or a part of the Common Area occurs and thereafter, the Board, by a vote in accordance with the Bylaws, without a vote of the Members (unless required under N.C. General Statutes 47F-3-103(c) or other applicable law, in which case the procedures set forth in subsection [a] above shall apply), may increase the Annual Assessment each year by a maximum amount equal to the previous year's Annual Assessment times the greater of (i) ten percent (10%) or (ii) the annual percentage increase in the CPI for the most recent 12-month period for which the CPI is available. If the CPI is discontinued, then the index most similar to the CPI (published by the United States Government indicating changes in the cost of living) shall be used.

(c) From and after the first year of Annual Assessments, the maximum annual assessment may be increased above the maximum amount set forth above by a vote of a majority of the Voting Power, plus the written consent of Declarant (so long as Declarant owns any part of the Property).

(d) The Board may fix the Annual Assessment at an amount not in excess of the maximum set forth above (the "Maximum Annual Assessment"), subject to the procedures set forth in subsection (a) above if applicable. If the Board shall levy less than the Maximum Annual Assessment for any calendar year and thereafter, during such calendar year, determine that the important and essential functions of the Association cannot be funded by such lesser assessment, the Board may, by vote in accordance with the Bylaws, levy a supplemental annual assessment ("Supplemental Annual Assessment"), subject to the procedures set forth in subsection (a) above, if applicable. In no event shall the sum of the Annual Assessments and Supplemental Annual Assessments for any year exceed the applicable Maximum Annual Assessment for such year other than as set forth herein.

Section 9.06 Special Assessments. In addition to the Annual Assessments authorized herein, the Board may levy, in any assessment year, a special assessment against all Owners applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of capital improvements and related fixtures and personal property on or comprising a part of the Common Area, including, without limitation, any stormwater detention or retention facility located on the Common Area; provided, however, pursuant to Section 9.05 above, any such assessment shall be in the ratio of three (3) to one (1) for Lots owned by Class A Members and Class B Members, respectively, and further provided in any fiscal year, Special Assessments which exceed ten percent (10%) of the

budgeted gross expenses of the Association for that fiscal year may not be levied without the vote or written consent of sixty-seven percent (67%) of the Voting Power of the Association.

Section 9.07 Assessment as Remedy. After Notice and Opportunity for Hearing, the Board, without the vote or written consent of Members, may levy a Special Assessment against an Owner as a remedy to reimburse the Association for costs (including attorneys' fees) incurred in bringing the Owner, his or her Lot or his or her residence into compliance with the provisions of this Declaration, the Bylaws or the Rules and Regulations.

Section 9.08 Allocation of Assessments. All Annual Assessments and Special Assessments shall be levied equally against all Owners, except:

(a) Annual Assessments levied on Lots owned by a Class A Member shall be a maximum of \$1,722.00 per annum for the first assessment year, and Annual Assessments levied on Lots owned by a Class B Member shall be a maximum of \$574.00 per annum for the first assessment year;

(b) the ratio of the Annual Assessment established for Lots owned by Class A Members to the assessment established for Lots owned by Class B Members for all subsequent years shall be three (3) to one (1); and

(c) Special Assessments shall be in the ratio of three (3) to one (1) for Lots owned by Class A Members and Class B Members, respectively.

Section 9.09 Commencement of Assessments; Time of Payment. The Annual Assessments provided for herein shall commence as to all Lots in The Trace on the first day of the month next following the conveyance of the first Lot improved with a dwelling to a purchaser (other than a successor Declarant) for use as a residence. The first assessment year shall be the period commencing on the date Annual Assessments commence and ending on the December 31 next following. The Annual Assessment for the first assessment year shall be prorated from the amounts fixed by the Board for a full twelve month year, based on the number of months to be contained in the first assessment year. Subsequent assessment years shall be each successive calendar year; provided, however, that at any time the Board may change the assessment year to correspond to a fiscal year selected by the Board. Assessments of Lots within each Phase of the Property which is annexed in accordance with the provisions of Article 15 below shall commence on the first day of the month next following the conveyance of the first Lot improved with a dwelling to a purchaser (other than a successor Declarant) for use as a residence.

Owners shall pay assessments in the manner and on the dates the Board establishes. The Board may require advance payment of assessments at closing of the transfer of title to a Lot and may impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in annual, semiannual, quarterly or monthly installments. Unless the Board otherwise provides, the Annual Assessment shall be due and payable in four (4) quarterly installments. If any Owner is delinquent in paying any assessments or other charges levied on his Lot, the Board may require that the outstanding balance on all assessments be paid in full immediately.

Section 9.10 Revised Assessments. Subject to the provisions of Section 9.05, if at any time during the course of any year the Board shall deem the amount of the Annual Assessment to be inadequate or over adequate by reason of a revision of its estimate of either expenses or income or otherwise, the Board shall have the right, at a regular or special meeting, to revise the Annual Assessment for the balance of the assessment year. Any such revised assessment shall become effective on the first day of the month next following the date of adoption, and additional amounts payable shall be due (or refunds of overages shall be made by the Association) at such time as determined by the Board.

Section 9.11 Delinquent Assessments; Fines. Any assessment not paid within ten (10) days after the due date shall be delinquent. The Board may require that any delinquent assessment bear a late charge to cover administrative expenses incurred as a result of the late payment of the assessment. Late charges on delinquent assessments and fines levied as provided in Section 4.12 may be imposed in an amount not to exceed \$25.00 per day (or such greater amount as may be permitted by the Act and approved by the Board) for each day that the violation continues. The Association may bring a legal action against the Owner personally obligated to pay a delinquent assessment or fine and, after Notice and Opportunity for Hearing, the Association may suspend a delinquent Owner's membership rights in the Association while the assessment or fine remains unpaid. In any legal action to enforce payment of an assessment or fine, the Association shall be entitled to recover interest, costs and reasonable attorneys' fees.

Section 9.12 Declarant's Option to Fund Budget Deficits. To the extent permitted by North Carolina law, during the period of Declarant control described in Section 8.06, Declarant may satisfy the obligation for Annual Assessments on Lots which it owns (excepting Lots on which Declarant has constructed model homes) either by paying Annual Assessments in the manner described in Section 9.08 or by funding the budget deficit. The budget deficit is the difference between the amount of Annual Assessments levied on Class A Member-owned Lots, plus any other income received during the calendar year, and the amount of the Association's actual expenditures during the calendar year, including reserve contributions. Unless Declarant otherwise notifies the Board in writing at least thirty days before the beginning of each calendar year, Declarant shall continue paying on the same basis as during the previous calendar year.

In the event Declarant elects to pay assessments in the manner as described in Section 9.08, and a deficit results, the Association, and not Declarant, shall be responsible for such deficit and its funding.

Regardless of Declarant's election, Declarant's assessment obligations may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these. After termination of Declarant control described in Section 8.06, Declarant shall pay assessments on Lots which it owns in the same manner as any other Owner as described in Section 9.08.

If Declarant elects to fund the budget deficit, such obligation, together with interest thereon and costs of collections, including, but not limited to, reasonable attorneys' fees, are hereby declared to be a charge and continuing lien upon each Lot owned by Declarant. Said lien shall be effective only if its obligation remains unpaid for a period of thirty (30) days or longer and from and after the time of the recordation in the official records of the County of a notice of

assessment in accordance with Section 9.1. Upon full payment of all sums secured by any such lien, Declarant shall be entitled to a satisfaction of the notice of assessment in recordable form in accordance with Section 9.1.

Section 9.13 Capital Contribution. Notwithstanding any provision contained herein or in any other document or instrument to the contrary, every Owner (other than a successor Declarant) who purchases a Lot from Declarant shall pay to the Association at the time of the closing of such purchase a non-refundable capital contribution fee in the amount of \$100.00, which amount may be held by the Association in reserve for maintenance, repair, construction and replacement of capital assets and improvements within the Common Area and the Property. It is expressly provided herein that such capital contributions shall not be held in reserve for the benefit of the Declarant or Owner paying such amount at closing, shall not be required to be held in an interest bearing account, and may be commingled by the Association with its other reserve funds and shall not reduce an Owner's obligation to pay Annual Assessments or Special Assessments. The Board may adjust the amount of the capital contribution fees from time to time.

Section 9.14 Reserves for Stormwater Repair and Reconstruction. The budget of the Association shall at all times contain a line item for routine maintenance of any stormwater detention or retention facility located on the Common Area and a separate line for the repair and reconstruction of such stormwater facilities.

Section 9.15 Exempt Property. The following property subject to this Declaration shall be exempt from all assessments, charges and liens created herein:

- (a) Common Area as defined in Article 1 of this Declaration;
- (b) Limited Common Area as defined in Section 4.09 of this Declaration; and
- (c) all properties exempt from taxation by the laws of the State of North Carolina upon the terms and to the extent of such legal exemption (provided homestead exemptions, if any, shall not be considered an exemption).

Notwithstanding any provisions of this Section 9.15, no Lot shall be exempt from the assessments, charges or liens created herein. In addition, in the event a Common Area easement or Limited Common Area easement encroaches upon a Lot, this shall not exempt a Lot from paying the assessments, charges or liens created herein.

Section 9.16 Certification of Assessments. The Association, upon written request, shall furnish to an Owner of a Lot or the Lot Owner's authorized agents a statement setting forth the amount of unpaid assessments and other charges against such Lot. The statement shall be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Board, and every Owner of a Lot.

## ARTICLE 10 INSURANCE

Section 10.01 Insurance Requirements under the Act. Section 47F-3-113 of the Act requires certain insurance to be carried by the Association and provides for the distribution of insurance proceeds, requires certain provisions for property and liability insurance and governs repairs made with insurance proceeds. In the event the insurance requirements of this Article 10 conflict with, or fail to incorporate, the provisions of Sections 47F-3-113 of the Act, the provisions of the Act shall apply and govern.

Section 10.02 By Owners. Each Owner shall procure and maintain fire and extended coverage insurance as follows:

(a) Coverage. Each Lot and improvements upon a Lot shall be insured in an amount equal to one hundred percent (100%) insurable replacement value. Such coverage shall provide protection against:

(i) Loss or damage by fire and other hazards, including extended coverage, vandalism and malicious mischief;

(ii) Such other risks as from time to time shall be customarily covered with respect to buildings on the land; and

(iii) Such policies shall contain clauses providing for waiver of subrogation.

(b) Liability. Public liability insurance shall be secured by each Owner with limits of liability of no less than Three Hundred Thousand and No/100 (\$300,000.00) Dollars per occurrence.

All such policies shall name the Association as an additional insured as its interest appears and copies of said policies and renewals thereof shall be furnished to the Association. Upon failure by any Owner to promptly obtain the required coverage, naming the Association as an additional insured, or to pay the premiums due on such policy, the Association may, but is not required to, obtain the required coverage, naming the Association as one of the additional insureds, and add the cost of the premium and all other costs of obtaining such coverage to the annual assessment against the subject Lot. Such cost shall be due and payable on or before the first day of the calendar month following payment of same by the Association.

Owners may, at their option, obtain insurance coverage at their own expense upon their own personal property and for their personal liability and living expense and such other coverage as they may desire.

Section 10.03 By Association. The Association shall procure and maintain insurance coverage as follows:

(a) Common Areas. All insurance policies upon the Common Area shall be purchased by the Association for the benefit of all the Association and the Owners and

their mortgagees as their interest may appear, and provisions shall be made for the issuance of mortgagee endorsements to the mortgagees of Owners.

(b) Coverage. All buildings and improvements upon the Common Area and all personal property of the Association included in the Common Areas or otherwise owned by the Association shall be insured in an amount equal to one hundred percent (100%) insurable replacement value as determined annually by the Association with the assistance of the insurance company providing coverage. Such coverage shall provide protection against:

(i) Loss or damage by fire and other hazards, including extended coverage, vandalism and malicious mischief;

(ii) Such other risks as from time to time shall be customarily covered with respect to buildings on the land; and

(iii) Such policies shall contain clauses providing form waiver of subrogation.

(c) Liability. Public liability insurance shall be secured by the Association with limits of liability of no less than One Million and No/100 (\$1,000,000.00) Dollars per occurrence and shall include an endorsement to cover liability of the Owners as a group to a single Owner. There shall also be obtained such other insurance coverage as the Association shall determine from time to time to be desirable and necessary, including, but not limited to, directors and officers errors and omissions insurance coverage.

(d) Premiums. Premiums for insurance policies purchased by the Association shall be paid by the Association and shall be included as part of the annual assessment described in Article Nine above.

(e) Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Owners and their mortgagees, as their interests may appear, and shall provide that all proceeds thereof shall be payable to the Insurance Trustee under this Declaration. The sole duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purpose stated herein or stated in the Bylaws and for the benefit of the Owners and their mortgagees in the following shares:

(i) Proceeds on account of damage to Common Areas are to be held for the Association.

(ii) If applicable due to insured casualty occurring on the Common Area, proceeds on account of damage to Lots shall be held in undivided shares for the Owners of damaged Lots in proportion to the cost of repairing the damage suffered by each Owner, which cost shall be determined by the Association.

(iii) In the event a mortgagee endorsement has been issued for any Lot, the share of the Owners shall be held in trust for the mortgagee and the Owners as their interests may appear.

(f) Subrogation. Each insurer shall waive its right to subrogation under any policy maintained pursuant to this Section 10.03 against any Owner or member of Owner's household.

(g) Act or Omission of Owner. No act or omission of any Owner, unless such Owner is acting within the scope of the Owner's authority on behalf of the Association, will preclude recovery under any of the policies maintained pursuant to this Section 10.03.

(h) Other Insurance. If, at the time of a loss, there is other insurance in the name of an Owner covering the same risk covered by the Association's policy, the Association's policy shall provide primary insurance.

(i) Issuance of Certificates; Cancellation. Any insurer that has issued an insurance policy under this Section shall issue certificates or memoranda of insurance to the Association and, upon written request, to any Owner or Mortgagee. Any insurer issuing an insurance policy under this Section 10.03 may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non renewal has been mailed to the Association, each Owner and each Mortgagee to whom certificates or memoranda of insurance have been issued at their respective last known addresses.

Section 10.04 Distribution of Insurance Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed in the following manner:

(a) Expense of the Trust. All expenses of the Insurance Trustee shall be first paid or provisions made therefore.

(b) Reconstruction or Repair. The remaining proceeds shall be paid to defray the cost of repairs to the Common Area and, if applicable due to insured casualty occurring on the Common Area, proceeds on account of damage to Lots shall be paid to defray the cost of repair to the Lots. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners as provided in Section 10.03(e)(ii).

Section 10.05 Fidelity Insurance or Bond. All persons responsible for or authorized to expend funds or otherwise deal in the assets of the Association or those held in trust, shall first be bonded by a fidelity insurer to indemnify the Association for any loss or default in the performance of their duties in an amount equal to six (6) months' assessments, plus reserves accumulated.

Section 10.06 Obligation to Rebuild. Any portion of the Property for which insurance is required under Section 10.02 shall be promptly and diligently repaired, replaced, and restored by the Owner thereof, unless (i) this Declaration is terminated, or (ii) repair or replacement would be illegal under any state or local health or safety statute or ordinance.

Any portion of the Property for which insurance is required under Section 10.03 of this Article which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) this Declaration is terminated, (ii) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (iii) the Owners decide not to rebuild by an eighty percent (80%) vote of the Voting Power of the Association (excepting any improvements that are required to be repaired under applicable provisions of the Code of Ordinances, Town of Apex, North Carolina). The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense, and the cost thereof may be recovered by one or more Special Assessments levied by the Board equally against all Owners. If any portion of the Common Area is not repaired or replaced, (i) the insurance proceeds attributable to the damaged Common Areas shall be used to restore the damaged area to a condition compatible with the remainder of the Property and (ii) the remainder of the proceeds shall be distributed to all the Owners or lien holders, as their interests may appear, in proportion to the Common Area liabilities of all the Lots.

## **ARTICLE 11 DAMAGES AND DESTRUCTION**

Section 11.01 Damage to Lots. Restoration and repair of damage to any Lot (including, in accordance with the definition of "Lot," the improvements thereon) shall be made by and at the expense of the Owner thereof.

Section 11.02 Damage to Common Area. Restoration and repair of damage to any Common Area shall be made at the expense of the Association unless, under the provisions of Section 47F-3-113(g), the repair or restoration is not required to be effected, provided that the improvement is not otherwise required by the Code of Ordinances, Town of Apex, North Carolina. If the work is to be accomplished, the Association shall promptly contract for the repair, restoration or reconstruction and, if necessary, collect from the Insurance Trustee any proceeds of insurance as received in accordance with Section 10.03. The difference, if any, between the insurance proceeds payable by reason of such repairs and the cost thereof may be recovered by one or more Special Assessments levied by the Board equally against all Owners.

Funds collected and held by the Insurance Trustee shall be disbursed by the Insurance Trustee for the purpose of repair, restoration or reconstruction in accordance with the terms and conditions of repair or reconstruction contract(s) between the Association and Persons engaged to perform the work. Funds from any special assessment shall be delivered to and held in trust by the Insurance Trustee and shall be held and disbursed for repair, restoration and reconstruction in the same manner as insurance proceeds. The Insurance Trustee may invest and reinvest funds held by it in a manner consistent with its duties as trustee. The Insurance Trustee shall be entitled to a reasonable fee for its services.

## **ARTICLE 12 EMINENT DOMAIN**

Section 12.01 Eminent Domain. Notwithstanding any provision contained herein to the contrary, in the event of a taking of all or any portion of a Lot or all any portion of the Common Area by eminent domain, or by conveyance in lieu thereof, the awards paid on account thereof

shall be applied in accordance with Section 47F-1-107 of the Act. If all or any portion of the Common Area is taken by action in eminent domain (hereinafter called a "taking"), the Association shall give written notice of the proceedings to all Owners and Mortgagees, and the condemnation award shall be fairly and equitably apportioned among the Owners, Mortgagees and the Association as provided in the Act.

Section 12.02 Repair, Restoration, Reconstruction. If only a portion of a Common Area facility is taken, the Board shall promptly contract for the repair, restoration or reconstruction of the Common Area facility to a complete architectural unit, to the extent such repair, restoration and reconstruction is reasonably necessary and practical. If the cost of repair, restoration and reconstruction of the Common Area exceeds the amount awarded by the court for such purposes, the difference may be recovered by a special assessment levied equally against all Owners.

### ARTICLE 13 ARCHITECTURAL CONTROL

Section 13.01 Architectural Control. No building, swimming pool, spa, statuary, flag pole, mailbox, basketball goal or other sports equipment (permanent or portable), fence, wall, gazebo, or any other structure or improvement shall be placed, erected, commenced, constructed, demolished, rebuilt or altered upon any Lot or attached or affixed to any improvement upon any Lot or upon the Common Area nor shall any exterior addition to or change or alteration of a residence building be made, including, but not limited to, additions or alterations to any deck, fence, wall, driveway, or patio, plating or clearing and cutting of trees, color or painting of the exterior (other than maintenance to and touch-up painting to preserve the original exterior paint) or change of the type of exterior finish, the installation of aerials, satellite dishes, flags or awnings or the addition of any exterior attachment (such as a storm door) until an application, including plans and specifications showing the nature, kind, shape, height, materials, finishes, colors and location of the same (including floor plans and elevations) (the "Plans"), shall have been submitted in triplicate to and approved in writing by the Architectural Control Committee; provided, however, that no such approval shall be required for alterations solely to the interior of any residential structure. The Board may require a reasonable fee to accompany each application for approval. **The Architectural Control Committee shall have the absolute and exclusive right to approve or disapprove Plans in its sole discretion and may approve or disapprove Plans based on purely aesthetic reasons, which in the sole discretion of the Architectural Control Committee shall be deemed sufficient. Absent an approval from the Architectural Control Committee the proposed alteration or improvement may not be commenced.** THE RESTRICTIONS HEREIN CONTAINED SHALL HAVE NO APPLICATION TO THE DEVELOPMENT, IMPROVEMENT, MAINTENANCE AND REPAIR OF THE PROPERTY BY DECLARANT OR BY THE ASSOCIATION, AND NEITHER THE BOARD NOR THE ARCHITECTURAL CONTROL COMMITTEE SHALL HAVE ANY POWER OR AUTHORITY TO REVIEW OR REQUIRE MODIFICATIONS TO THE PLANS FOR CONSTRUCTION OR INSTALLATION OF IMPROVEMENTS BY DECLARANT.

The installation of antennae and of satellite dishes or disks shall be permitted on a Lot if accomplished in strict compliance with the limitations and conditions imposed by the Telecommunications Act of 1996, as amended from time to time, but no antenna or disk which is in any dimension larger than prescribed by the Telecommunications Act of 1996 or which is not

installed in accordance with the advance notice requirements and location guidelines of the Telecommunications Act of 1996 may be installed or maintained on any Lot except with the prior written approval of the Architectural Control Committee.

Section 13.02 Architectural Control Committee.

(a) Membership; Right of Declarant to Act as ACC with Respect to Initial Construction.

(i) The Architectural Control Committee shall be composed of three (3) persons (who need not be Members of the Association) appointed by the Board. A majority of the Architectural Control Committee may designate a representative to act for it. In the event of death, resignation, or removal by the Board of any member of the ACC, the Board shall have full authority to designate a successor. Unless otherwise approved by the Association, neither the members of the ACC nor its designated representative shall be entitled to any compensation for services performed pursuant to this Section. The Association shall keep, or cause to be kept, a list of the names and addresses of the persons who form the ACC and a list of the names and addresses of any designated representatives of the ACC, and such a list shall be available in the principal office of the Association to any Owner upon request.

(ii) Notwithstanding the foregoing, as to the initial construction of improvements on any Lot (the "Initial Construction of Improvements"), the Declarant shall serve as the Architectural Control Committee responsible for the review, approval, and monitoring of construction of improvements. Any requests for modifications or alterations of improvements in fact constructed on a Lot or for the construction of additional improvements on a Lot shall be the responsibility of the Architectural Control Committee, which need not be the Declarant if it so directs, but, if not the Declarant, Declarant shall have the right to approve or disapprove any decisions made by the ACC upon fifteen (15) days written notice to the ACC and the applicable Owner following the thirty (30) day period for the Architectural Control Committee's decision. The rights of the Declarant pursuant to this section shall cease upon the Completion of Sales. Prior to the expiration of Class B membership, the Declarant may at any time relinquish, either temporarily or permanently, its rights to review, approve and monitor the Initial Construction of Improvements.

(b) Procedure. At least sixty (60) days prior to the commencement of any construction on a Lot, the Plans for such Lot shall be submitted to the ACC. Approval shall be subject to such regulations and architectural standards as may from time to time be promulgated by the ACC. Within thirty (30) days after receipt of the Plans and any other requested information, the Architectural Control Committee shall notify the Owner of the Lot in writing as to whether the Plans have been approved. Unless a response is given by the ACC within thirty (30) days from receipt of all required information, the Plans shall be deemed approved. The response of the Architectural Control Committee may be an approval, a denial, an approval with conditions or a request for additional

information. A request for additional information shall be deemed a determination that the information submitted was inadequate, and the thirty (30) day time period for further ACC response shall only commence upon receipt of the requested additional information. No construction shall be commenced until either the fifteen (15) day time period for Declarant's approval has passed or Owner has received Declarant's approval if the ACC is not the Declarant and Declarant still has the rights as outlined in 13.02(a)(ii) above. If an approval with conditions is granted and construction then begins, the conditions shall be deemed accepted by the Owner of the Lot, and the conditions imposed shall become a part of the approved Plans. No improvements shall be constructed except in strict conformity with the approved Plans. The ACC shall have the right to monitor construction of improvements and investigate compliance with the approved Plans and is hereby granted the right to enter upon any Lot in order to do so.

Any Owner who submits Plans to the ACC and disagrees with the finding of the ACC may appeal the decision to the Board by giving written notice of appeal to the President of the Association within fifteen (15) days following its receipt of notice of denial. The Board shall review the Plans and hold a meeting to hear the case with the Owner and the ACC or its representative. At such meeting the ACC or its representative shall present to the Board specific reasons why the Plans were denied, and the Owner or his agent may present information challenging the findings of the ACC. The decision of the ACC shall only be overridden by a majority vote of the Board. Notwithstanding the foregoing, an Owner shall have no right to appeal decisions by the Declarant acting as the ACC with respect to the Initial Construction of Improvements or to approvals by the ACC which are disapproved by the Declarant pursuant to Section 13.02(a)(ii).

The Association may adopt a schedule of reasonable fees for processing requests for approval. Such fees will be payable to the Association at the time that the Plans and related documents are submitted to the ACC. The ACC shall have the right, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the ACC in its review of any Plans, and the cost of such consulting service(s) shall be the responsibility of the respective applicant or Owner of the subject Lot and shall be in addition to any fees due for processing any requests for approval.

All notices required to be given under this Section 13.03(b) shall be given in writing and delivered by hand, mailed with prepaid postage or deposited with an overnight carrier (e.g. Federal Express, UPS, etc.). If the ACC denies an application, the ACC shall specify the particular grounds upon which denial of such application is based. If the ACC approves the application, one set of Plans, marked approved (or approved with specified conditions), shall be retained by the ACC, and the remaining two sets of Plans shall be returned to the applicant.

Section 13.03 Landscape Plan; Landscaping. As part of the Plans package submitted by an Owner to the ACC for approval of the Initial Construction of Improvements or any improvements thereafter, there shall be included a comprehensive landscape plan (the "Landscape Plan"). Shown thereon, in addition to the scheme for decorative plantings, shall be all of the planned site improvements and modifications, including, but not limited to, major topographic changes and plans for revegetation and restabilization thereof, the specifications for

all terraces, walkways, driveways, paths, fences, bulkheading, walls, pools, outdoor lighting and for other fixtures and structures to be constructed as part of the Landscape Plan.

The Landscape Plan shall unite the Lot as well as all other structural aspects of the landscape with its setting and shall provide for the introduction of plant materials of reasonable size and quantity to create (when first installed) a mature landscape scene.

Each Lot shall be maintained consistently with the Landscape Plan approved for it by the ACC. All material changes to the Landscape Plan or the landscaping installed on a Lot shall be first approved by the ACC. The ACC shall have the authority to create additional landscaping guidelines applicable to the Property.

Section 13.04 Maintenance of Construction Activities. During the construction of any improvement to a Lot, the Lot, roads, landscaping and Common Areas or Limited Common Areas adjacent thereto shall be kept in a neat and orderly condition, free from any dirt, mud, garbage, trash, or other debris, so as not to cause an unsightly condition to exist or damage to occur. Any damage to the street, curb, sidewalk or to any part of any Common Areas, Limited Common Areas or utility system caused by an Owner or an Owner's builder shall be repaired by such Owner. Owners and their agents and employees shall adhere to the construction standards promulgated from time to time by the Association.

In the event the Owner or his agent, employee or contractor shall fail to maintain the Lot and adjoining areas, as specified herein, or damage occurs and such failure continues or damage remains unrepaired for seven (7) days following delivery of written notice thereof from Declarant or the Association, Declarant or the Association shall have the right, exercisable in its sole discretion, to summarily abate any unsightly conditions, make needed repairs, and to remove any rubbish, refuse, unsightly debris and/or growths from the Lot and adjoining area. In the event the Declarant or the Association, after such notice, causes the subject work to be done, the costs of such shall be reimbursed by the Owner to the Association and will become a continuing lien on the Lot until paid.

Section 13.05 Timely Completion. When construction of any Lot, structure, improvement, or addition thereto has begun, work thereon shall be prosecuted diligently and continuously until the full completion thereof. It is a requirement that Lots under construction in the Property be "dried-in" with exterior finishes installed (roofing, windows and finish siding and trim in place) within one hundred twenty (120) days of the commencement of construction and that all phases of work, including execution of the Landscape Plan, be complete within six (6) months of the date of ACC approval. In the event that completion is delayed beyond one year from the date of ACC approval and provided the Owner is notified within thirty (30) days of the expiration of the one year construction period, the ACC may, upon unanimous vote of the committee, rescind the original approval and require that the Owner resubmit Plans for approval.

Section 13.06 Reconstruction of Residences. In the event of damage or destruction to a residence by fire or other casualty, the Owner shall within four (4) months diligently commence to reconstruct such residence as soon as reasonably possible and substantially in accordance with the original Plans; provided, however, that such residence shall be restored so that the exterior appearances thereof substantially resemble their appearances in form and in color prior to such

damage or destruction. Notwithstanding the foregoing, however, any Owner of a damaged residence may request permission from the ACC to reconstruct or repair his or her residence in accordance with revisions in the Plans. The ACC shall grant such requests only in the event that the proposed change or deviation will materially benefit and enhance the entire Property in a manner generally consistent with the plan and development thereof.

Section 13.07 Limitation of Liability. Review and approval of any application pursuant to this Article 13 is made on the basis of aesthetic considerations only and the ACC shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Board, the ACC, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Lot.

Section 13.08 Enforcement. Any construction, alteration, or other work done in violation of this Article 13 shall be deemed to be nonconforming. Upon written request from the Board, the ACC or the Declarant, Owners shall, at their own cost and expense, remove such construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Board or its designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the nonconforming Lot and collected as a special assessment pursuant to Section 9.07 hereof.

Any contractor, subcontractor, agent, employee, or other permittee of an Owner who fails to comply with the terms and provisions of this Article may be excluded by the Board from the Property. In such event, neither the Association, its officers, or directors shall be held liable to any person for exercising the rights granted by this Section 13.08.

In addition to the foregoing, the Board shall have the authority and standing, on behalf of the Association, to pursue all legal and equitable remedies available to enforce the provisions of this Article 13 and the decisions of the ACC.

## **ARTICLE 14 MORTGAGEE PROTECTION**

Section 14.01 Interpretation. In the event any provision of this Article 14 is inconsistent with or contrary to any other provision of this Declaration, the provisions of this Article 14 shall control.

Section 14.02 Notices. Any Mortgagee of any Lot, by written notice to the Association setting forth the Lot encumbered, the Owner thereof and the address to which notices may be sent, may request and thereby be entitled to receive written notice from the Association of (a) any default which is outstanding for sixty (60) days or longer by the Owner of such Lot in the performance of his or her obligations under or in compliance with the provisions of this Declaration, the Bylaws or the Rules and Regulations, (b) any substantial damage to or

destruction of the Common Area, including the improvements located thereon, or, if known to the Association, any substantial damage to or destruction of a Lot, including the improvements located thereon, and (c) any proposed or threatened taking by power of eminent domain of the Common Area or any portion thereof or of any Lot or portion thereof.

Section 14.03 Mortgagee's Right to Information. Upon written request to the Association, a Mortgagee is entitled to: (a) inspect the books and records of the Association during normal business hours; (b) receive an annual financial statement of the Association within ninety (90) days following the end of any fiscal year of the Property; and (c) receive written notice of all meetings of the Association and to designate a representative to attend all such meetings.

Section 14.04 Damage and Destruction Rights. In the event of substantial damage to or destruction of any Lot or improvements to a Lot or any part of the Common Area no provision of any document establishing the Property shall entitle the Owner of a Lot or other party to priority over such Mortgagee with respect to the distribution to such Owner of any insurance proceeds.

Section 14.05 Condemnation Rights. If any Lot or portion thereof or the Common Area or any portion thereof is made the subject matter of any condemnation proceedings or is otherwise sought to be acquired by a condemning authority, no provision of any document establishing the Property shall entitle the Owner of a Lot or other party to priority over such Mortgagee with respect to the distribution to such Owner of the proceeds of any award or settlement.

Section 14.06 Right of First Refusal. Any right given by an Owner of a Lot to any third person to purchase such Lot before it is offered for sale or sold to any other person (such right commonly known as a "right of first refusal") shall not be binding upon or enforceable against any Mortgagee acquiring such Lot pursuant to exercise of remedies provided for in the Mortgage, including foreclosure by judicial action or exercise of a power of sale, or by acceptance of a deed or assignment in lieu of foreclosure.

Section 14.07 Subordination. No provisions contained in this Declaration shall defeat or render invalid the lien of any Mortgage which is made in good faith and for value. The lien of the assessments provided for herein shall be subordinate to the lien of any Mortgage recorded prior to the date any such assessment becomes due. This subordination shall apply only to assessments on a Lot which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure or exercise of power of sale. Any Mortgagee who acquires title to or comes into possession of a Lot pursuant to exercise of remedies provided for in the Mortgage, including foreclosure by judicial action or exercise of a power of sale, and any purchaser at a foreclosure sale, shall take the Lot free of any claims for unpaid assessments or charges against the Lot which have accrued prior to the time such Mortgagee or purchaser acquires title to or comes into possession of the Lot; provided, however, this exception shall not be applicable to any claim for assessments or charges levied by the Association against all Lots for the purpose of recovering any revenue lost by reason of the nonpayment of past due assessments upon such Lot; and provided further, that except as otherwise provided in this Section, all of the limitations, restrictions, covenants, conditions, easements, liens, charges, assessments, and equitable servitudes contained herein shall be binding upon any Owner whose

title is derived through foreclosure sale, trustee's sale or otherwise. Except as provided above, the sale, transfer or conveyance of title to a Lot shall not relieve a selling Owner from personal liability for any assessments which became due and payable prior to such sale, transfer or conveyance, nor relieve such Lot from a duly recorded lien for any such prior unpaid assessment.

Section 14.08 Payments by Mortgagees. Any Mortgagee, after at least ten (10) days' prior written notification to the Association of the items to be paid and the failure of the Association within such time to make payment, may pay, alone or in conjunction with other Mortgagees, delinquent taxes, liens or assessments which may be or become a charge against the Common Area, or any portion thereof, and any overdue premiums on policies of fire and extended coverage insurance for the Common Area and in the event of a lapse of such a policy of insurance, may pay premiums to secure a new policy. In the event such payments are made, the Mortgagee making such payment shall be entitled to immediate reimbursement from the Association to the extent of the payment made.

Section 14.09 Consent of Mortgagee. With respect to any provision in this Declaration requiring the consent or written approval of a Mortgagee, any Mortgagee who does not respond within thirty (30) days' request by the Association for such consent or written approval shall be deemed to have approved such request.

## **ARTICLE 15 ANNEXATION**

Section 15.01 Right to Annex. Declarant shall have the right to annex to **The Trace** subdivision, thereby bringing within the scheme of this Declaration and subject to the jurisdiction of the Association, part or all of the Additional Land, if any. Annexation of any real property other than Declarant's annexation of the Additional Land shall require the vote or written consent of not less than sixty seven percent (67%) of the total Voting Power of the Association. Annexation of additional property may be accomplished in Phases.

Section 15.02 Procedure for Annexation. Any annexation shall be made by recordation of a Supplemental Declaration covering the real property to be annexed. The Supplemental Declaration shall describe the real property to be annexed and state that annexation is being made pursuant to this Declaration for the purpose of extending the jurisdiction of the Association to cover the property described therein. The Supplemental Declaration may contain such complementary additions and modifications to the terms of this Declaration as may be necessary or desirable to reflect the different character, if any, of the Phase being annexed and as are not inconsistent with the general scheme of this Declaration. Annexation shall be effective upon recordation of the Supplemental Declaration and thereupon the real property described therein shall be subject to all of the provisions of this Declaration, to the extent made applicable by the Supplemental Declaration, and to the jurisdiction of the Association pursuant to the terms of this Declaration, the Articles, Bylaws and Rules and Regulations.

Section 15.03 Annexed Property. Each Owner of a Lot in an annexed Phase automatically shall be a Member of the Association and such Owners and annexed real property shall be subject to assessment by the Association for the benefit of the Property or any part thereof. Assessments of Lots in an annexed Phase shall commence upon the last to occur of: (a)

commencement of Annual Assessments for the Property, and (b) the first day of the month next following the first conveyance of a Lot in such Phase to a purchaser, as provided in Section 9.09. The Association shall have the duties, responsibilities and powers set forth in this Declaration, the Articles and Bylaws with respect to annexed real property. Except as may otherwise be expressly provided in this Declaration or any Supplemental Declaration, the Property shall be managed and governed by the Association as an entirety. Assessments collected from Owners in the Property may be expended by the Association anywhere in the Property without regard to the particular Phase, area or subdivision from which such assessments came. All Owners shall have ingress and egress to and from all the Common Area throughout the Property and any Phase thereof and shall have use and enjoyment of any Common Area facilities and other amenities contained within the Common Area throughout the Property, provided that any such use shall be subject to the provisions of this Declaration, any Supplemental Declaration, the Bylaws and the Rules and Regulations.

Section 15.04 All Common Areas and Limited Common Areas within lands annexed to the Property shall be conveyed to the Association in accordance with Section 4.01.

## **ARTICLE 16 INDEMNIFICATION OF OFFICERS AND DIRECTORS**

The Association shall indemnify any and all persons who may serve or whom have served at any time as directors or officers of the Association against any and all expenses, including amounts paid upon judgments, counsel fees and amounts paid in settlement (before or after suit is commenced), actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding in which they, or any of them, are made parties, or a party, which may be asserted against them or any of them, by reason of being or having been directors or officers or a director or an officer of the Association, except in relation to matters as to which any such director or officer or former director or officer or person shall be adjudged in any action, suit, or proceeding guilty of willful and intentional negligence or misconduct in the performance of his or her duties to the Association. Provided, however, that in the event of a settlement, the indemnification herein shall apply only when the Board of Directors approves such settlement and reimbursement as being in the best interest of the Association.

The provisions hereof shall be in addition to and not exclusive of any and all other rights to which any director or officer may otherwise be entitled under any law, Bylaw, agreement, vote of Association Members or otherwise. In the event of death of any officer or director, the provisions hereof shall extend to such person's legal heirs, representatives, successors and assigns. The foregoing rights shall be available whether or not such person or persons were in fact directors or officers at the time of incurring or becoming subject to such expenses, and whether or not the proceeding, claim, suit or action is based on matters which antedate the adoption of this Declaration.

**ARTICLE 17  
EXCULPATION**

It is expressly understood and agreed that nothing contained in this Declaration shall be interpreted or construed as creating any liability whatsoever, directly or indirectly, against Declarant or any of its officers, members, managers, employees, agents, attorneys, heirs, executors, legal representatives, successors or assigns (collectively, the "Declarant Related Parties") for monetary relief or damages. In particular, and without limiting the generality of the foregoing, if any proceeding shall be brought to enforce the provisions of this Declaration, the party instituting such proceeding shall not be entitled to take any action to procure any money judgment against any of the Declarant Related Parties.

Section 18.04 Power to Settle Claims. The Board shall have the power and authority to compromise, settle, release and otherwise adjust claims, demands, causes of action and liabilities in favor of the Association and the Owners, on behalf of the Association and Owners, as the case may be, provided any such claim, demand, cause of action or liability arises out of or relates to a condition or defect common to all or a majority of the Lots or improvements constructed thereon, or to the development, design, construction, condition, repair or maintenance of or damage or injury to or defect in the Common Area or part thereof, and the Association shall have the right and the power to make and receive all payments or other consideration necessary therefor or in connection therewith. For such purposes, the Board shall be, and hereby is, irrevocably
